About the Meet

Dr. Harisingh Gour Vishwavidyalaya, Sagar (M.P.) is the oldest University of Madhya Pradesh and was established by a great visionary, Sir Dr. Harisingh Gour by a single man philanthropy. It was established before independence i.e. in 1946 and departments like Applied Geology, Pharmacy, Geography and Criminology and Forensic Science were the leading teaching departments of higher education of the country. The students of the University have established their remarkable footprints in all spheres of life and also at global level and therefore the Alumni Association of the University is organizing this MEGA ALUMNI MEET to recall the memories of alumni and also to contribute to take of the new generation of their alma mater to new heights through academic, financial, technical and other support.
