Urgent

// CIRCULAR //

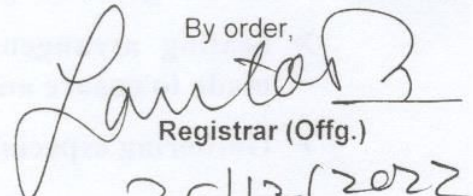

Sub: Preventive steps to control the re-spread of COVID-19 reg.-

In view of the sudden surge of new variant and rise in **COVID- 19** cases worldwide and also keeping in the mind about the impact of previous waves of Corona, it is necessary that all Faculty members, Officers, Staff members, Students, Research Scholars and all other residents of University Campus should follow the COVID appropriate behaviour scrupulously. This will ensure to control the re-spread of this pandemic in the University Campus.

In light of above, the Health Advisory (**copy enclosed**) on impending Covid-19 outbreak is being issued for **strict compliance** by all concerned as mentioned above, with immediate effect.

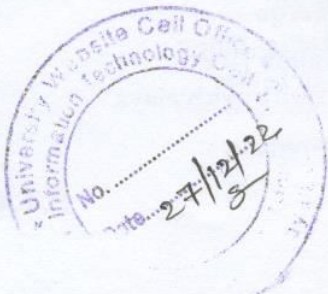

STAY SAFE, STAY HEALTHY

Encl.: As above

By order,

Registrar (Offg.)

Date: 23/12/2022

ADVISORY ON IMPENDING COVID-19 OUTBREAK

In view of the sudden surge in the global cases of COVID-19 and in order to prevent a new outbreak of the disease, all Employees/Students/other Staff/Resident are hereby advised to follow COVID-19 appropriate behavior as follows:

- Must use face mask in the work place, maintain personal hygiene and physical distancing.
- Cover your nose and mouth with elbow/handkerchief/tissue while sneezing and coughing.
- Seating arrangement in sections/rooms/class rooms/meeting may be made to ensure adequate distance between officials in the rooms.
- Gathering especially in canteens must be avoided.
- Discourage, to the maximum extent, entry of visitors in the office complex. Only those visitors who have proper permission of the office, whom they want to meet, should be allowed after being properly screened.
- All employees who are at higher risk i.e. older employees, pregnant employees and employees who have underlying medical conditions should take extra precautions.
- Avoid international travel.
- Consult the doctor in case of any symptoms like fever, respiratory problem etc. Follow the government advisory issued from time to time.

All employees/students are advised to strictly follow the above-mentioned precautionary measures.

As of now, the situation is not alarming and therefore there is no need to panic. Prevention is better than cure.
