NIVEDITA GIRLS HOSTEL

NIVEDITA HOSTEL-1 , YEAR OF ESTABLISHMENT: 1963

NIVEDITA HOSTEL-2, YEAR OF ESTABLISHMENT: 1996

About the Hostel

The Girls' Hostel, Nivedita I and II are safe, secure and huge buildings situated on a hill top with surrounding scenic beauty, with an occupancy of 384.

The girls who seek admissions are from different streams and belong to different School of the University. The girls coming from throughout the length and breath of the country belong to different religions, family backgrounds, social lives and different economic status, all live happily like a family in the hostel.

The foundation of this happy communal life in the hostel had started right from its inception. In 1962, the University shifted from the barracks to the present campus. Amongst one of the first batch students (1963), Dr. Shamsheer Sahai became the Vice Chancellor of this University.

A lot of cultural and sport activities are organized during the session each year as their personality development program and also to give the inmates an opportunity and a platform to bring out their hidden talents. The likeminded students come close together and get to know each other better thus these activities give the inmates a homely feeling. The colourful and mega event of the hostel is the Annual day, which is popularly known as the hostel day which is celebrated with great enthusiasm.

In this way Nivedita girls hostel represents India. Here one gets ample opportunities to get introduced with different languages, customs of various provinces, food types and their attires and outfits. They also learn to respect other religions and develop the saint feelings of "Vasudhaiva kutumbakam"

Starting from seeding the hostel has flourished and grown up in to a big tree making available all new facilities from time to time according to the needs.

The inmates after leading a disciplined and well organized life style in this huge family abolish the memories of any inconveniences, if caused to them but they depart and take home the sweet and loving memories

which

they cherish throughout their lives!!

Location:

The Nivedita Hostel is located close to the Science block of the University and provides a quick and easy access to it. The India Coffee House is also situated at a walking distance from the hostel and it provides refreshments to the students at a subsidized rate throughout the day.
