About the Hostel

Rani Laxmi Bai Girls Hostel is one of the best and the largest hostels of the University. It is located in a peaceful location of the University campus. The surroundings of the hostel offer quiet walks to the woods and the lush green surrounding vegetation inhabited by beautiful birds like Peacock, Born Swallow and rare species of birds like Gray Hornbill, Common Wood Shrike, Trickle Blue Fly Catcher, Common Iora, and Golden Oriole.

With its large and beautiful building, well-maintained lovely gardens and a premise covered with green trees and bushes, the hostel offers a place excellent for studies and related academic activities. The courtyard of the hostel has an amphitheater overlooking beautiful gardens. It has been designed to be the life and soul of the building. The dining building or mess of the hostel is big, spacious and properly ventilated. On regular days it serves as a hub of many activities during mealtimes. The landscape strategy of the hostel facilitated by accessible entrance foyers, gardens and courtyards reflects the concept of streets as the activity Centre.

The Hostel is for Girls and currently, there are 193 single-Seater rooms available in it. The Office of the Hostel is on the ground floor and remains open from 9 A.M. to 6 P.M, on all working days. The Hostel Mess offers breakfast, lunch, and dinner to all the residents. In the Common Room for residents, there is a television and facilities for indoor games. A Gym is also there in the Hostel Complex.

The Hostel is located close to the Science block of the University and provides quick and easy access to it. The Indian Coffee House is situated within walking distance of the hostel and provides refreshments to the students at a subsidized rate throughout the day.

The Hostel has two Wardens – Warden-in-charge and Warden (Mess and maintenance) who reside near the Hostel Complex and a Chief Warden. They together look after the day to day functioning of the Hostel. The Hostel Premise is guarded by Security Guards round the clock.
