Prof. G.L Puntambekar,
Coordinator, Placement Cell

About Shadowfax:

Shadowfax is India's leading on-demand tech-backed gig marketplace that helps businesses outsource last mile activities. Shadowfax employs tech-enabled solutions like ML and AI to offer supply that keeps pace with demand in the fast-growing and highly fragmented hyperlocal distribution ecosystem and ensures a wonderful end-user experience.

The Shadowfax app has over two million downloads, and is designed as an immersive platform for delivery and is a single app that works across multiple platforms. The app is used as a channel for guaranteed earnings across multiple E-com and Hyperlocal platforms. Shadowfax has been consistently widening its area of operations by expanding in E-commerce and Hyperlocal segments and getting into new growth areas like grocery distribution.

Shadowfax has extremely friendly people and partnership policies that are designed to be highly empathetic and are always looking for ways to make the riders lives better, and transform the appeal of delivery and other blue-collar jobs as an attractive career option. Working with the Shadowfax platform ensures strong earning potential along with a high degree of flexibility and freedom along with financial support services like loans, and insurance.

In October 2021, Shadowfax launched India's first delivery SuperApp to accelerate the growth of delivery partners by empowering them to access multiple opportunities via a single platform.

Shadowfax was co-founded by Abhishek Bansal, Gaurav Jaithliya, Praharsh Chandra, and Vaibhav Khandelwal in 2015. Over the last seven years, it has now grown to a team size of close to 5000 employees with 1.25 Lakhs+daily active users (delivery partners) in more than 1100+ cities in India, fulfilling 20 million orders per month across 100+ leading brands in 9500+ pin codes

Our clients are present across sectors like e-commerce, food, grocery, FMCG, lectronics, consumer durables, pharma, apparel, auto, BFSI and Insurance etc.

We foster a culture that values first principle thinking and problem solving, encourages constructive feedback, engagement, inclusion and diversity at all levels. Our core values define our identity and form the basis of our actions and reflect in everything that we do at Shadowfax.
