NOTICE INVITING e-TENDER (NIT No. R/EE/IWD/2024/188)

- Percentage rate tenders are invited on behalf of the **Dr. Harisingh Gour Vishwavidyalaya**, **Sagar** from approved and eligible contractors for the work of **Various M.O. & M. Civil works in University Premises (Residential/Offices).**
 - 1.1 The work is estimated to cost **Rs. 27,90,431/-** This estimate, however, is given merely as a rough guide.
 - 1.1.1 The authority competent to approve NIT for the combined cost and belonging to the major discipline will consolidate NITs for calling the tenders. He will also nominate division to deal with all matters relating to the invitation of tenders.
 - For composite tender, besides indicating the combined estimated cost put to tender, should clearly indicate the estimated cost of each component separately. The eligibility of tenderer will correspond to the combined estimated cost of different components put to tender.
 - 1.2 The tenders will be issued to only eligible contractors to the entire satisfaction of the competent authority.
- 2. Agreement shall be drawn with the successful tenderer on prescribed CPWD Form No. 7/8, which is available as a Govt. of India Publication. Tenderer shall quote his rates as per various terms and conditions of the said form which will form part of the agreement.
- 3. The validity of the contract will be up to **12 months** and same may be further extended for a maximum period of six months on the same terms and conditions from the date of start as defined in schedule 'F' or from the first date of handing over the site, whichever is later, in accordance with the phasing, if any, indicated in the tender documents.
- 4. The site for the work is available.
- Tender form and other conditions of the contract can be seen and downloaded from the University website www.dhsgsu.edu.in.
 - The necessary documents can be seen in the office of the **IWD** between hours of 11.00 A.M. & 04.00 P.M. from 04.10.2024 to 11.10.2024, every day except on Saturday, Sundays and Public Holidays.
- 6. The finally selected agency will furnish the performance guarantee for a sum equivalent to 5% (Five Percent) of the individual work order amount within the period specified in Schedule F. This guarantee shall be in the form of cash (in case the guarantee amount is less than Rs. 10,000/) or Deposit at call receipt of any scheduled bank/Banker's cheque of any scheduled bank/Demand Draft of any scheduled bank/Pay order of any scheduled bank (in case guarantee amount is less than Rs. 1,00,000/-) or Government Securities or Fixed Deposit Receipts or Guarantee Bonds of any Scheduled Bank.
- 7. The description of the work is as follows Various M.O. & M. Civil works in University Premises (Residential/Offices). Copies of other drawings and documents pertaining to the works will be opened for inspection to tenderers at the office of the IWD, Dr. Harisingh Gour Vishwavidyalaya, Sagar (M.P.). Tenderers are advised to inspect and examine the site and its surroundings to satisfy themselves before submitting their tenders as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the

site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent upon any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plant, etc. will be issued to him by the University and local conditions and other factors having a bearing on the execution of the work.

- 8. The University does not bind itself to accept the lowest or any other tender and reserves the authority to reject any or all of the tenders received without assigning any reason. All tenders in which any of the prescribed conditions is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer, shall be summarily rejected.
- 9. Canvassing whether directly or indirectly in connection with tenders is strictly prohibited and the tenderer submitted by the contractors who resort to canvassing will be liable to rejection.
- 10. The University reserves to itself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
- 11. The contractor shall not be permitted to tender for works in the University if his any near relative is posted as an officer in any capacity between the grades of University Engineer and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any officer in the University. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this University.
- 12. No Engineer of Gazetted rank or other Gazetted officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India/ State Govt./University is allowed to work as a contractor for a period of two years after his retirement from Government service, without the prior written permission of the Government of India/State Govt./University. Such contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
- 13. The tender for the works shall remain open for acceptance for a period of Ninety days from the date of opening of financial bid. If any tenderer withdraws his tender before said period or issue of letter of acceptance whichever is earlier or makes any modifications in the terms and conditions of the tender which are not acceptable to the department, then the Government shall without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the retendering process of work.
- 14. This Notice Inviting e-Tender shall form a part of the contract document. The successful tenderer / contractor, on acceptance of his tender by the accepting authority, shall **within 07 days** from the stipulated date of start of the work, sign the contract consisting of:
 - a) The notice inviting e-tender, all the documents including additional conditions specifications and

drawings if any, forming part of the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.

- b) The contract shall be drawn as per General Conditions of Contract for CPWD works 2020 with corrections issued up to date with due modifications to suite to the University. This document is available as a priced publication in the market and University web-site.
- c) As and when it is required to take up/execute a set of work /jobs, the same shall be assigned to one of the short listed agencies starting from original L1on a work order slip. In the best interest of the University subsequent work may be assigned to the different agencies among L2, L3, L4 and L5 etc, on the accepted rate of lowest tenderer as per the CPWD work manual/ procedure. The contractor will raise the bill for work done & payment shall be made accordingly.
- 16. It will be obligatory on the part of the tenderer to sign the tender documents for all the components (The schedule of quantities, conditions and special conditions etc.).
- 16.1 After the work is awarded, the contractor will have to enter into agreement

ANNEXURE – IV

INSTRUCTION FOR ONLINE BID SUBMISSION

The bidders are required to submit soft copies of their bids electronically on the CPP portal, using valid Digital Signature Certificates (DSC). The instructions given below are meant to assist the bidders the bidders in registering on the CPP portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP portal. More information useful for submitting online bids on the CPP portal may be obtained at http://eprocure.gov.in/eprocure/app.

REGISTRATION

- 1. Bidders are required to enroll on the e-procurement module of the Central Public Procurement Portal(URL:http://eprocure.gov.in/eprocure/app) by clicking on the link "Online Bidder Enrolment" on the CPP portal which is free of charge.
- 2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3. Bidders are advised to register their valid email address and mobile number as part of registration process. These would be used for any communication from the CPP portal.
- 4. Upon enrolment, bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify/nCode/eMudra etc.) with their profile.
- 5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6. Bidders then logs in to the site through the secured log in by entering their user ID/ Password and the password of the DSC/e-Token.

SEARCHING FOR THE TENDER DOCUMENTS

- 1. There are various search options built in the CPP portal, to facilitate the bidders to reach active tenders by several parameters. These parameters could Tender ID, Organization Name, Location, Date Value, etc. There is also an option of advanced search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2. Once the bidders have selected the tenders they are interested in, they may download the required documents/ tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS/E-mail in case there is any corrigendum issued to the tender document.
- 3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification/ help from the Helpdesk.

PREPARATION OF BIDS

- 1. Bidder should take in to account any corrigendum published on the tender document before submitting their bids.
- 2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of each of document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/ schedule and generally, they can be in PDF/ XLS/ DWF/ JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of scanned document.

4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid and need not be uploaded again and again. This will lead to reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3. Bidder has to select the payment option as "offline" to pay EMD as applicable and enter details of the furniture/Material
- 4. Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted to the concerned official latest by the last date as specified in the tender document. The details of DD/ other accepted Material physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5. Bidders are requested to note that they should necessarily submit their financial bids in format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of bidder). No other format is acceptable.
- 6. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers / bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 7. Upon the successful and timely submission of bids (i.e. after clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid number and the date & time of submission of the bid with all other relevant details.
- 8. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

- 1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2. Any queries relating to process of online bid submission or queries relating to CPP portal in general may be directed to the 24X 7 CPP Portal Helpdesk.
