2. **Brief Introduction of the Department :**

The present department of Library & Information Science was established in 1970 on the occasion of centenary year of Dr. Harisingh Gour, the founder of the University and its first Vice Chancellor. The department started functioning in the University Central Library building and moved to the current location having its separate building in the year 1989. It has been imparting regular Graduate Degree Programme in Bachelor of Library & Information Science since its inception, and Post Graduate Degree Programme of Master of Library & Information Science since 1983 and Ph.D. programme of study since the year 1987. The Department was functioning under the Faculty of Arts till 2008 and subsequently, reorganized to function under the School of Arts & Information Sciences (AIS) in the year 2009. It has adopted CBCS semester system since 2009. Notwithstanding the various infrastructural teaching and learning limitations, the Department has carved a niche in enriching its students to secure placements in prominent national level institutions over the past years.

e-mail (HoD): hodsociology@dhsu.edu.in**2. Brief Introduction of the Department :**

Post graduate teaching of sociology was initially started combined with the Department of Anthropology in the year 1965 under the dynamic leadership of internationally renowned personality Professor S.C. Dube. By the recommendations of the U.G.C. review committee, Undergraduate teaching of Sociology was started in 1975. The University established Independent Department of Sociology and Social Work in 1981. The Department endorses an interdisciplinary approaches keeping in the view of blending of Applied Sociology with a strong foundation of Basic/theoretical Sociology. The Department has encouraged the ethics of learning in which students are given an opportunity to participate actively in academic discussions. It has encouraged the system of "Group Learning" by forming small groups of students in each semester to develop sociological perspectives among them towards the contemporary issues and problems relating to regional, national and international level. The main thrust area of the Department is 'Social structure, Culture and Change process in Indian society in particular and South Asia in general'.

2. **Brief Introduction of the Department :**

Department of Urdu & Persian, which today is a widely recognized centre of Post Graduate Studies and Research in Urdu Language and Literature has a history as old as that of the University. The Department was started with the inception of the University in July 1946 to provide education in Urdu and Persian. Since then it has been promoting Urdu Language and Literature in the area of Bundelkhand. This is the only University (Central as well as State) of MP where there is a separate teaching department for the study of Urdu as a modern Indian Language. It is also a recognised center of research. Elective Courses of Urdu are offered to the regular students of the University enrolled in different P.G. courses. In the three years BA programme Urdu is one of the core subjects of study.

2. **Brief Introduction of the Department:**

In 1950, UNESCO realized the significance of the teaching of Criminology at the College and University levels in Asia, and in 1955, a consensus emerged in a symposium held in London. University of Saugar (Sagar) responded to that consensus first and as a result, the Department of Criminology was established on 18th July 1959 largely due to the initiative taken by Shri D. P. Mishra, (the then Vice Chancellor, 1956-1962, and later Chief Minister of Madhya Pradesh). The former Chief Justice of Madhya Pradesh High Court, Justice G. P. Bhatt was appointed as its first regular Professor and Head of the department. After some years, Forensic Science was added and it became the Department of Criminology and Forensic Science. The department of Criminology and Forensic Science is running two different courses under the School of Applied Sciences. The department is involved in teaching Criminology and Forensic Science at the graduate and postgraduate levels leading to M.A. in Criminology and M.Sc. in Forensic Science respectively along with the research facilities for Ph.Ds. in both the disciplines. The department is recognized as a DST-FIST-sponsored department. The contributions of the department are various and remarkable in teaching and research. The alumni of the department are occupying outstanding positions and are globally known for their achievements.

2. **Brief Introduction of the Department :**

The Department is under DST-FIST phase-I since 2020. The Department of General and Applied Geography is one of the pioneer departments in the country. It was established in 1953 with Prof. Mackim as its first Head. Faculties are sharing their research finding at national and international academic platforms and have been published in leading national and international research journals. Department offers under graduate, post graduate and Ph.D. courses. We are committed to helping our students to develop their skills, such as team work, report writing, IT skills and presentations. These skills are integral to the course and manifest themselves in the varied assessment and training methods used throughout the three years of undergraduate and two years post graduate teaching. The Department of General & Applied Geography today is a flourishing and expanding academic community committed to high standards of research & teaching in the country. Now, the department has 05 meritorious, experienced and devoted faculty members which consist of one professor, four assistant professors. Department has pioneer in the teaching of astronomy, cartography and applied geography. By virtue of its teaching and research, the department has been attracting students from all over country viz. The department has produced several academicians, scientists and administrative officers. The department is well equipped with advanced survey instruments.

2. **Brief Introduction of the Department :**

The Department of Geology had started in 1946 for teaching B.Sc. and M.Sc. Classes under the headship of Professor G. W. Chiplonkar. In the year 1956, the Department of Applied Geology started independently offering three years post graduate course leading to M. Tech. Degree (6 semesters) in Applied Geology under the headship of Professor W. D. West. After six years, both the departments (Pure and Applied Geology) were merged into the Department of Applied Geology. The department was expanded when it enjoyed the status of a Centre of "Advanced Study in Geology" from 1963 to 1974. At present 37 students are admitted in M. Tech. I-Semester. The department has laboratory of Major thrust areas of Metamorphic Petrology, Applied Micropaleontology, Igneous Petrology and Mineralogy, Remote Sensing and GIS, Ore Microscopy and Economic Geology, Sedimentology, Environmental Geology, Groundwater, Engineering Geology, and Geochemistry with basic laboratory equipments required for teaching and research on various aspects in the major thrust area identified under R & D Programme. The students are given field training in geological mapping, mineral exploration, groundwater exploration, oil exploration and water resource management from three to four weeks in even semesters.

Institute of Engineering and Technology (IoET) is an AICTE approved Engineering Institution established in the year 2022 under the aegis of Dr. H. S. Gour University, Sagar, formerly, University of Saugar, established on 18th July 1946 by Dr. Sir Hari Singh Gour (Nov. 26, 1870 – Dec. 25, 1949) by his lifetime savings. The institute is operational under the directorship of Prof. (Dr.) Ashish Verma (Director-in-charge). IoET aims to impart multidisciplinary technical expertise and offers various undergraduate degree courses in the fields of Aeronautical Engineering, Electronics and Communication Engineering, Fashion and apparel Engineering, Food Technology Engineering, Computer Sciences Engineering, Dairy Engineering. The institute has expert faculty members in various fields including authors, industry expert, researchers, and patent holders from renowned institutes; strive continuously to ensure that student are exposed to various opportunities in life.

4. **Brief Introduction about the School :**

The School of Biological Sciences at Dr. H. S. Gour Vishwavidyalaya, Sagar Continues to excel in teaching and research, contributing significant advancements in various fields. Our faculty and students have published numerous high- impact papers, secured competitive grants, and forged meaningful collaborations. Below, we present key research accomplishments from the Departments of Botany, Zoology, Microbiology, Biotechnology and Environmental Sciences over the past year.

The School of Biological Sciences has around **546 UG Students with different Subject Combinations as CBZ, BAZ, GAP, GAF, ZYP, and YAP**. The school of SBS is facilities with state of art tools and techniques for basic and advanced research in various domains of biological science. Departments of SBS are also operation certain instruments from the Sophisticated Instrumentation Facility of the University. Students of SBS have been regularly qualifying the national level exam such as UGC/CSIR JRF, NET, and LS. The departments of SBS have been actively engaged in organizing national and international seminars and conferences. The SBS is a leading school of the school of the university in research and development together with teaching. School of Biological Sciences (SBS) includes five teaching departments:

The Botany and Zoology departments were established with the inception of the University in 1946. Botany department has been recognized as centre of excellence by the state government and a centre of higher learning in Plant Sciences by UGC as DRS, DSA and SAP. Botanic Garden of the department is recognized by Botanic Garden Conservation International, Kew (UK). The department is now very well known for the excellent research contributions made in the field of Plant pathology, Microbiology and Ecology. Department of Zoology is one of the pioneer departments of this university. The emerging areas for research and teaching presently involve immunology & cell signaling, bone biology, fish biology, entomology, environmental biotechnology and vermin- biotechnology. The Zoological museum of the department is an excellent collection of vast variety of animals. Department of Microbiology was established in 1996. With the establishment of central university in 2009, the department was renamed as Department of Microbiology. Recently, laboratories of bio imaging, infection and immunity and host pathogen interaction have been established. The major research fields encompass microbial glycosidase, Lasparaginase, thermophilic fungi, mycobacteria, enteric bacteria zebra fish, bio film, cancer and biosensors. Department of Biotechnology acquired an independent status in 2001. With an inclination towards inter disciplinary research; faculty members in the department have forged active national & international collaborations. The department's current research areas include plant biotechnology with focus on development of transgenic plants, cancer viology with emphasis on nanovaccines and ion channel physiology.

In the department of Environmental Sciences we create environmental technocrats through quality education with innovative and interdisciplinary approaches to address current and emerging environmental self-reliance and sustainability challenges. The Mission is to provide high quality scientific expertise in environmental science to meet with the ongoing challenges related to climate change, resource depletion, biodiversity loss, and energy - water crisis. Build necessary skills for future environmental leaders to find sustainable solutions for pressing environmental, societal, and climatic issues through bioengineering, renewable energy technologies, novel means of waste management, and conservation strategies. Create environmental educators and researchers who can effectively communicate the scientific knowledge on current and future environmental change and crises to both specialists and the world.

The dedication and hard work of our faculty, researches, and students have made these accomplishments possible, solidifying our reputation as a leading institution in Biological Sciences research.

2 Brief Introduction of the Department:

The Department of Botany was established with the inception of the university in 1946. The founder of the department was great Prof. R.Misra, FNA, known as the father of Ecology in India. Subsequently, it was nurtured under the leadership of Prof. S.B. Saksena, FNA, a renowned mycologist. The contributions of Prof. T.V. Desikachary, FNA., Prof. Y.D.Tyagi, Prof. L.P. Mall, Prof. S.C. Pandya, FNA, Prof. R.S. Malhotra, Prof. G.P. Mishra and Prof. K.M Vyas helped to achieve academic excellence in botany. Under the leadership of Prof K.M. Vyas the department was recognized as a centre of high learning in Plant Sciences by University Grant Commission as DRS, DSA, and SAP, and thereafter it has been recognized as a centre of excellence by the state government. Later on, significant academic contributions were made by Prof. T.R Sahu, Prof. P.K. Khare, Prof. A.N. Rai, Prof. Deepak Vyas, Prof. ML. Khan, Dr. Poonam Dehariya, Dr. A.J. Biswas and Dr.Ashwani Kumar.

The Department is imparting degree in UG, PG, and Ph.D. courses including skill based elective courses such as Mushroom Cultivation, Land Scaping and Garden Management, Fungal Biosystematics, Biodiversity Conservation, Climate Change, Plant Protection, Forest Ecology, Limnology and Software's Applications in Modern Biology. Besides the department offered other elective courses like Basic Concepts of Botany and Economic Botany.

Botanic Garden of the department is a treasure of rare and exotic plants as an Ex-situ conservation management center. It is one of the prestigious botanic garden of the country which is also a member of the Botanic Garden Conservation International, Kew United Kingdom,. The botanic garden was established by Prof. Y.D. Tyagi, thereafter it was maintained by Dr. R.N. Dakwale, Prof. T.R. Sahu, and Prof. Deepak Vyas is still maintaining it. The Botanic garden imparts environmental awareness to school children and college students and also provides teaching materials for various colleges and Universities. People from different walks of life regularly visit the garden.

2. **Brief Introduction of the Department :**

The Department of Biotechnology was established in 2001-02 with UGC approval. The Department acquired an independent status in 2009 upon the up gradation of the University to Central University. The Department took a new shape in the year 2013 when the appointed faculty established fully functional research laboratories and sophisticated instruments were installed. The Department is a full-fledged independent unit under the School of Biological Sciences. Currently, the department has two faculty members specialized in Genetic Engineering and Plant Biotechnology, Nanotechnology, Molecular Virology, Bacteriology, Proteomics and Genomics. The Department is well equipped to impart Master and PhD advanced education and training. The Department faculty adopts advance pedagogy techniques such as flip learning and laboratory based teaching.

The Department has published significant number of publications in the leading national and international peer reviewed scientific journals. The Department regularly organizes several hands-on workshops, national and international conferences and special lectures. At the Department of Biotechnology research is being pursued in both basic and applied areas of Biotechnology. The Departmental is inclined towards inter disciplinary research; faculty members in the Department have forged active national & international collaborations. The Departmental faculty have secured funding various funding agencies of UGC, DST, DBT, etc.

During the COVID-19 pandemic the Department quickly adapted to the online teaching mode using various ICT tools, online classroom platforms and other resources to continue the teaching and learning process. This ensured that students did not suffer any academic loss.

2. **Brief Introduction of the Department:**

Since the establishment of the department in 1996, it has stood among the front runners in teaching and research in Microbiology and occupies a place of prominence in the field. With the establishment of central university in 2009, the Department of Microbiology became a part of School of Biological Sciences.

Currently, the department is offering admission to students in M.Sc. from all over India through CUET exam. The total number of seats under M.Sc. program is 19. The department also offers PhD program in Microbiology. The department has published a significant number of research publications in the leading national and international peer reviewed scientific journals. In past the department has also organized several hand's-on workshops, national and international conferences. At the Department of Microbiology research is being pursued in both basic and applied areas of Microbiology. With an inclination towards interdisciplinary research, faculty members in the department have forged active collaborations within and outside the university. Laboratories of Enzyme technology and Molecular Catalysis (ETMC) and Optical Imaging for Biomedical Studies are well established. The major research fields encompass microbial glycosidases (inulinase, mannanase, fructosyltransferase), prebiotic oligosaccharides, keratinase, L-asparaginase, thermophilic fungi, zebrafish, biofilm etc.

2 Brief Introduction of the Department :

Department of Environmental Sciences is a newly established Department under the School of Biological Sciences at Dr. Harisingh Gour Vishwavidyalaya vide UGC sanctioned letter no. 1-1/2013 (CU) Vol-XVII dated 06-03-2019. The Department of Environmental Sciences came into existence in the year 2023. Department has a vision to create environmental technocrats through quality education with innovative and interdisciplinary approaches to address current and emerging environmental challenges. Major thrust areas of the Department are Ecology and Environment, Environmental Monitoring (Air, Water, Soil, Vegetation, etc.), Climate Science, Sustainability and Waste Management. Currently Department is offering Master Degree programme as per NEP-2020 with exit option. The programme has been designed in such a way that the students acquire strong theoretical and practical knowledge in various domains of Environmental Sciences.

4. **Brief Introduction about the School:**

The School of Mathematical and Physical Sciences consists of three departments- Department of Mathematics & Statistics, Department of Physics and Department of Computer Science & Application.

The School is headed by the Dean, School of Mathematical and Physical Sciences for the academic and administrative purpose. Dean is assisted by the Head, Chairman BOS of concern departments and faculty members. Meeting of School holds time to time for decision making on academic and administrative matters like revision of syllabus and updation. All three departments offer Graduate, Post Graduate courses, certificate course and Ph.D. programmes.

2. Brief Introduction of the Department :

The Department of Computer Science and Applications was established in the academic year 1996-97 with a programme DCA (Diploma in Computer Applications) and BCA (Bachelor in Computer Applications). In 1998, with the approval of the All India Council of Technical Education (AICTE), the MCA (Master of Computer Applications) programme was started with an intake of 30 students. Initially, the start of these programmes was in a small building near to the university bank and later in 1999, the department has got its own new building with well equipped laboratories, a library, a seminar hall, faculty rooms and lecture halls. The first batch of MCA students was passed out in 2001 and most of them have been absorbed in the reputed IT, software based companies. Many BCA students of those years have also got jobs immediately after completion of their course. The Ph. D. program started in 2005. Till Jun 2018, more than 1350 students have been obtained their BCA, MCA and Ph.D. Degrees and many of them are now well placed. Department offers extension services to other departments of the university and conducts training programs for officers/ employees. Department organize workshops for students for increasing their awareness & skill in areas not covered in syllabus.

3. **Brief Introduction of the Department :**

The Department of Mathematics & Statistics was established with the very inception of the University in the year 1946. The founder of the university and the founder vicechancellor Dr. Hari Singh Gour had himself appointed Mr. R.B. Rabugunday as the first Head of the Department. Mr. Rabugunday was a product of Madras University and a Wrangler of Cambridge tradition. The teachers of the Department have been receiving financial support for their high quality research. The Department has made notable research contributions in the areas of Algebra, Analysis, Geometry, Topology, Relativity, Biomathematics, Sample Surveys, Modeling and Optimization Theory, Inference, Stochastic modeling, Computer network Modeling, Operating system.

2. **Brief Introduction of the Department :**

Glorious journey of the Department of Commerce commenced since 18th July 1948 on separation from the Department of Economics led by an eminent authority of Commerce named Professor Amar Narayan Agrawal who was invited from University of Allahabad (U.P) to develop Commerce as academic branch of knowledge. The Department with its continuous nurturing gave another branch of relevant knowledge "Department of Applied Economics and Business Administration" which later renamed as Department of Business Management is second Department under the aegis of School of Commerce & Management-SCM. The Growth & Development of this Department emerged on a magnificent platform by its hardworking faculty members who have adopted out of box thinking and dedication towards the University as well as the Department. The Department is leading in academic contributions in the form of popular text book writings in Hindi and English by faculty members, Research Grant under DRS, Major & minor Projects by Faculty, faculty Participation in National-International Association conferences, Presentation of Research Papers, Recipient of Research Awards in the National Academic forums, Visiting lecture, Creating innovative ideas including own academic responsibility of Teaching of UG & PG.

With change of time we have changed its teaching learning pattern from traditional to ITC enabled class rooms. The Students are put in interactive sessions on different economic environmental perspectives. Regular cultural activities are organised by the students of the Department for multidimensional personality development. It is worth to mention that the Department always focuses on unprivileged class of society to financially assist by Post metric state scholarship, research fellowship and academic training to them for their better future. Mega campus placements drives are organised in support of placement cell of the University. The concern of the Department is to give the best to the individual to further give the further best to the society at large to serve the Nation. So far as our output is concern every year we produce about 900 undergraduates, 75 postgraduates & 10 Doctorate students to attend the society. It is our proud that we have alumni in the field of administration, teaching & political in addition to corporate employee, Businessman, entrepreneurs and drama. Our attraction is our value centric teaching & research than attracting valuables. The Department is committed for effective implementation of National Education Policy under the dynamic leadership of Professor Neelima Gupta, the Hon'ble Vice Chancellor of the University Presently we have 04 Professors, 07 Assistant Professors & 03 guest Faculties in the Department. Looking futuristic multidimensional growth of the Department we invite precious suggestions & open support from, society, alumni academicians including administrative staff of the country.

2. **Brief Introduction of the Department :**

The Department of Business Management was established in the year 1982, by Prof. R. B. Saxena as the founder H.O.D. This Department occupies a place of prominence in the realm of professional management education. This Department toiled to earn the distinction of being the first institution in the state of Madhya Pradesh to offer a fulltime MBA Programme. Recently our Department of Business Management also started five different full time two year MBA courses in July 2022 i.e. MBA in Healthcare & Hospital Management, MBA in Travel & Tourism Management, MBA in Financial Management, MBA in Marketing Management, MBA in Human Resource Management. One undergraduate Course Bachelor of Hotel Management also been started in the year 2023. The aim of the course objectives are to equip students with advanced knowledge and skills in their chosen field, develop strategic thinking and leadership abilities and prepare them for executive roles in today's dynamic business environment.

The vision of the department is aptly reflected in the department's motto *Semper Sursum*, which encourages all who pass through the ramparts of this institution to Always Aim High. Students at this department are provided with an environment that promotes the learning process, while every opportunity is given to them to nurture their personalities, in accordance with the high standards demanded by the industry. About 40 Ph.D. were awarded in different areas of Business Management and about 20 Students have qualified JRF/NET. The faculty members make remarkable contribution to reach academic excellence and work to groom its students in soft skills.

2. **Brief Introduction of the Department :**

Dr. Harisingh Gour Vishwavidyalaya, Sagar is perhaps the only University of the India which has first introduced Yoga as an optional subject at the graduate degree level in 1959. Beside yogic science as an optional subject for the graduate students, two Diploma courses in yogic science were also started i.e. Junior & Senior Diploma courses. In 1974, the Senior Diploma courses in yoga were replaced by Post Graduate Diploma in Yogic Science. Subsequently, research scholars in yoga were also registered. Till now several research scholars have been awarded the Ph.D. Degree in Yogic Science and some research scholars are registered for Ph.D. in the Department. Due to initiatives of the UGC, the department started M.A. in Yoga from session 2001-2002. Students are admitted by National Entrance Test. As per UGC guidelines the department of yogic science also started M.Sc. in Yogic Science from the session 2001-02.

2. **Brief Introduction of the Department :**

Physical Education Department was established in the year 1950. Physical Education provides a large scope for the people taking different courses related to the field. The course offered by the department is UGC approved undergraduate program B.P.E.S (Bachelor of Physical Education and Sports). Physical education is a wide term and associated with sports, yoga, health, physiotherapy, medicinal sports, sports clinics, sports psychology, sports management and administration, etc. There are plenty of career options available in the field of physical education, with the number of options growing every day. The University lays great emphasis on sports and games. The university hosts first-class tournaments. The university has sports facilities in the form of large fields for playing cricket on turf wickets, volleyball, football, Kho-Kho and 8 lane tracks, well maintained necessary equipments for sports and athletics. The university has boys' and girls' gyms in the Physical Education Department and a functional physiotherapy section.

The School of Chemical Sciences & Technology includes Department of Chemistry. The department is running three courses: (i) Chemistry at UG level (ii) Chemistry at PG level and (iii) Ph.D. by course work. The UG program is offered with various combinations of other science subjects. All the above courses are running the syllabi in semester wise as per the UGC model curriculum. Other works and activities of the school are as follows: Preparing of Class timetables, Admission through Counseling, Registration of Old Students, Re-Registration in single Semester Students, Registration of New Students, work related with ID Cards of students, work related to Insurance of students, submission of SC, ST, OBC & others Scholarship forms and related work, formation of Student's Council, preparation of Semester Examination Timetables, Registration of Old & New Students, etc.

2. **Brief Introduction of the Department :**

The Department was established in 1946 right from the inception of the University under the guidance of Prof. A. K. Bhattacharya and Dr. S. N. Banerjee. It has been relentless and pioneer in spreading the chemical education in each nook and corner of the globe completing 71 years of successful journey by 2018. Under devoted teachers, the Department made significant contributions to chemical research and technology and trained several hundreds who are themselves carrying out excellent work elsewhere. The broad areas of present research interest of teachers include – Nanoscience & Technology, Nanocomposites, Nanoporous materials, Heterogeneous Catalysis, Electrochemical Sensors and Supercapacitors, Organometalics, Electrochemistry, Material Science, Lipid Chemistry, Environmental Chemistry, Chemical Kinetics, Heterocyclic Chemistry, Natural Products, Coordination Chemistry, Bioinorganic Chemistry, Synthetic & Structural Inorganic and Organic Chemistry, Analytical Separation Chemistry, Computational Chemistry, etc. More than thousand papers have been published in different journal of National and International repute from the Department. With the aim of the academic technological interaction, syllabi of the PG and PhD courses have been modified. Apart from core papers there are several elective papers (based on UGC scheme) from each branch of Chemistry which the students can choose. A Special Assistance Program (SAP) sanctioned by UGC on “Development of Advanced Electro Analytical Methods for Screening of Biomolecules, Phytochemicals, Pharmaceuticals and modified Drugs” has been completed in the Department. The Department has also been sponsored FIST (infrastructural assistance) program of DST. The Department has Rheometer, Powder Xray Diffractometer, GCTOF, HPLCQTOF, BET surface analyzer, UVVisible spectrophotometer, FT IR spectrometer, Atomic Absorption spectrometer, Flame photometer, Electrochemical Work Station/Potentiostat/Galvanostat, Magnetic balance, HPLC, GLC, LCR Meter etc. The Department is running various major research projects sanctioned by different funding agencies such as DST (Nanoscience), DST (SERB), MPCOST, and UGC. The faculty members have made remarkable contribution in teaching and establishing high quality research facility. Several faculty members enjoyed prestigious international fellowships such as Commonwealth Academic Staff Award Fellowship (UK), Alexander Von Humboldt (AVH) Fellowship, Germany, etc.

Office of Academic Affairs
Director: Prof. Naveen Kango
Joint Registrar: Shri Santosh Sohgaure

This office deals with all academic matters of the University and ensures full academic discipline which is mentioned in the University Ordinances. This office has organized the meetings of Academic Council (AC), Academic Programme Committee (APC) and various other committees during the year 2023-24. This office is working for the preparation and approval of the syllabus and other academic matters for Under Graduate (UG), Post Graduate (PG) and Ph.D. programmes.

This office performs the following activities:

- **Registration-** Registration of UG, PG and Ph.D. students through Heads of the Departments and Deans of the Schools.
- **Syllabus-** This office assists the Board of Studies, School Board to frame and approve the Syllabus of different programmes such as UG, PG & Ph.D. of all the departments and place the resolutions of BoS and School Board in the Academic Programme Committee and then Academic Council for approval.
- **Academic Council-** During the year this office organized 03 meetings of the Academic Council to discuss and approve various academic matters of the University.
- **Academic Programme Committee-** During the year this office organized 04 meetings of the Academic Programme Committee to discuss and approve various academic matters of the University. After approval from APC these matters are put up in the Meeting of Academic Council from time to time.
- **Research** – Academic Progress of the research scholars, submission of thesis, appointment of examiners for evaluation of thesis and the declaration of the results is monitored.
- **Students Information-** Registration/ Enrolment of UG, PG and Ph.D. students of the University and list of Ph.D. Degree awarded to the students are given in the following tables:

Office of Planning & Resource Generation

Director: Prof. Umesh K. Patil

This Office look after different activities related to Planning and Resource Generation in the University. Some important activities carried out by this office during the year the Ranking of the University, Alumni related activities, National Institutional Ranking Framework (NIRF), All India Survey on Higher Education (AISHE), Annual Report 2023-24 and Annual Calendar 2023 of the University etc. This office collects the information related to the development, planning, and activities related to the University teaching departments and all faculties, information related to the students such as admission and results.

Various data related to University and affiliated Colleges were collected and uploaded on the website of Ministry of Human Resource Development, New Delhi on the portal of All India Survey of Higher Education's portal www.aishe.gov.in.

The University is working for the upliftment for the society and to provide knowledge regarding their socio-economic development in the adopted Five Villages of Sagar Districts as per the Policy of Government of India of *Unnat Bharat Abhiyan*.

Office of Students' Affairs

Dean: Prof. A.D. Sharma

The office of Students Affairs looks after the following activities:

1. Scholarship
2. Training
3. Placement and Counselling
4. Boy's & Girl's Hostel
5. Students Election
6. Students Cultural activities
7. Founder's day Celebrations
8. Railway Concession etc.
9. Other problems related to students.

After the completion admission process in different courses, an Orientation program is organized for newly admitted students in different UG and PG Programms. This event is focussed on the Knowledge and Information about CBCS System, Examination Process, Library facilities, Hostel facilities, NCC & NSS, activities of cultural Council, along with the role of Proctorial board, Anti ragging committee, Sc/St Cell and Sports activities etc.

As per the Central Universities Act- 2009, a Students Council was formed on 10th and 12th January, 2024. The following Students are declared elected to Student Council from Different departments and Schools as Class Representative and School Representative respectively :

Proctorial Board Activities for the Year 2023-2024

1. In the session 2023-24, the Proctor Office issued and distributed ID cards for the new first-semester regular students of UG, PG, M.Phil, and PhD programs across 39 departments of 09 schools.
2. In the session 2023-24, the Proctor Office issued character certificates to regular students who have completed their degree enrolled in UG, PG, MPhil, and PhD programs.
3. In the 2023-24 session, the proctorial board maintained constant vigilance on the university campus to control indiscipline, ragging, and internal fights. They also conducted surprise inspections from time to time.
4. The Proctorial Board also summoned the parents of some students and provided appropriate guidance in their presence, so that the students would refrain from engaging in indisciplinary activities and work towards building a bright future and commendable character.
5. Parking system has been organized by the proctorial board in the Commerce Block, Main Central Office, and Science Dean's area for students, teachers, and employees to ensure orderly and secure parking. This arrangement aims to curb theft of vehicles, petrol, etc.
6. During the events organized on the occasion of Gour Jayanti, discipline and meeting arrangements were regulated and ensured daily. A key role was played in maintaining discipline throughout the entire route of the procession from Teen Batti to Gour Prangan.
7. The proctorial board provided their full support during the university UG and PG counseling sessions.
8. In the university main exam, the proctorial board provided its assistance in organizing the exam arrangement.
9. "The Proctorial Board initiated a campaign of periodic ID card checks."
10. "In order to curb the sale of intoxicating substances on the university campus, a campaign has been initiated by the proctorial board."
11. During the academic year 2023-24, a campaign against ragging was conducted from August 12th to August 18th, 2023, in accordance with the directives of the University Grants Commission as per their letter No. D.O. No/F.1-74/2016(ARC) dated July 5th, 2023, by the Proctorial Board.
12. To raise awareness and make the anti-ragging campaign successful, various mediums such as posters, logos, and slogan advertisements were utilized to enlighten students.
13. An essay competition was organized focusing on the principles of the Anti-Ragging Campaign, where students who demonstrated excellence were honored.
14. Arrangements have been made on the UGC website to showcase anti-ragging videos, short films, etc.
15. Seminars and other events related to the awareness objective of anti-ragging are organized from time to time.
16. The Proctorial Board, under the directives of the Ministry of Youth Affairs and Sports, Government of India, and under the guidance of the Honorable Vice Chancellor, initiated the "My Soil My Nation Campaign." As part of this campaign, tree plantation was carried out in the Amrit Vatika by the Vice Chancellor himself, along with planting trees in the girls' hostel and University Women's Club.
17. With the support of the proctorial board, the 31st Convocation ceremony was successfully organized.
18. The Proctorial Board also provided support at the Megha Alumni Reunion.

As per the UGC Anti Ragging rules- 2009. The following committee was made to control the ragging in University.

I. Anti Ragging Committee for the University Teaching Departments -

1. Prof. Chanda Bain – Department of Hindi – Proctor	– Chairman
2. Dr. Shri Bhagwat – Department of Business Management	– Member
3. Dr. Ritu Yadav, Department of Chemistry	– Member
4. Dr. Rajendra Yadav, Department of Hindi	– Member
5. Dr. Dr. Rakesh Soni, Department of Fine Art & Performing Art	– Member
6. Dr. C.P. Upadhyaya, Department of Hindi	– Member
7. Dr. Himanshu Kumar, Department of Geography	– Member
8. Dr. Virendra Singh Matsaniya, Department of Economics	– Member
9. Shri Krishna Kumar, Department of Law	– Member

II. Anti Ragging Squad for University Teaching Departments –

1. Prof. Ashok Ahirwar, Department of History	– Chairman
2. Prof. Utsav Anand, Department of Economics	– Member
3. Prof. Rajendra Yadav, Department of Applied Geology	– Member
4. Prof. Dewakar Singh Rajput, Department of Hindi	– Member
5. Prof. R.K. Gangele, Department of Mathematics	– Member
6. Prof. Shweta Yadav, Department of Zoology	– Member
7. Prof. Anupma Sharma, Department of Political Science	– Member

III. Anti Ragging Squad for Hostels –

(A) Boys Hostel :

1. Prof. Ratnesh Das	– Chairman
2. Prof. Sushil Kashaw	– Member
3. Dr. Rakesh Soni	– Member
4. Dr. Ashutosh Mishra	– Member

3. Dr. Vandana Rajoriya	– Member
4. Dr. Shweta Sharma	– Member
5. Dr. Preeti Khandare	– Member

The committee worked hard & there was no case of Ragging in the University.

**Centre Advanced Research (CAR)****Coordinator: Prof. Harel Thomas****Technical Officers: Mr. Ramesh Chandra Prajapati, Dr. Vivek Kumar Pandey, Mr. Shivprakash Solanki****Technical Team: Mr. Saurabh Sah, Mr. Ashish Chadhar, Mr. Aravind Chadhar**

The Centre for Advanced Research (CAR) facility was developed with support from UGC, New Delhi and DST-PURSE scheme and is a cluster of eight different advance centers namely:

1. Centre for Advanced Mass Spectroscopy
 2. Centre for Atomic Mineral Analysis
 3. Centre For Advanced Electron Microscopy And Imaging
 4. Centre for NMR Spectroscopy and X-Ray Diffractometry
 5. Centre for DNA Sequencing and Cytometry
 6. Centre for Nano-particle characterization
 7. Centre for Advanced Chromatography
 8. Centre For DNA Amplification and Proteomics
- These centers and facilities aim to support and strengthen the scientific research and teaching by providing state-of-the-art instrumentation and expertise in applications of high-end sophisticated instruments to the researchers and students of the university and other institutions.
 - The CAR at the Dr. Harisingh Gour Vishwavidyalaya, Sagar is equipped with 29 high-end sophisticated instruments which are Nuclear Magnetic Resonance Spectrometer (NMR), Single Crystal X-ray Diffraction (SC-XRD), Powder XRD, Atomic Force Microscope (AFM), Liquid Chromatography-Mass Spectrometer (LC-MS), Scanning Electron Microscope (SEM), Transmission Electron Microscope (TEM), Brunauer Emmett Teller (BET), Gas Chromatography-Mass Spectrometer (GC-MS), Inductively Coupled Plasma- Mass Spectrometer (ICP-MS), Particle Size Analyzer, Q-PCR and many more such instruments to facilitate this goal. We welcome all the scientists, research scholars and students to utilize this facility for analyzing their samples.
 - Recently, the facility charge list has been updated by the duly constituted committee and has been uploaded on the university website.

Workshop Organized in CAR

- A 07 Days Hands-on Training Workshop on Advanced Material Characterization by Sophisticated Research Instruments from 28th April to 04th May, 2023 was organized by the Centre for Advanced Research, Sponsored by Department of Science and Technology, Government of India, under the scheme Synergistic Training Program, Utilizing the Scientific and Technological Infrastructure (STUTI), in Association with Banasthali Vidyapeeth, Rajasthan. In this workshop, more than 45 participants from different parts of the country were given training and demonstration on Non-destructive characterization techniques like X-Ray Diffractogram (XRD), Nuclear Magnetic Resonance (NMR), Scanning Electron Microscope (SEM), Gas Chromatography Mass Spectroscopy (GC-MS), Liquid Chromatography Mass Spectroscopy (LC-MS), Spectroscopic Elipsometer, FTIR, Rheometer etc., by the experts from various prestigious institutions across India.

Our primary objective is to facilitate the exchange of technology between MSMEs, encompassing both novel inventions and existing solutions that meet their specific needs and objectives. Furthermore, we will support startups across various industries, providing essential resources and guidance to foster their growth. In exchange for our assistance, we may acquire equity in their businesses.

Research Paper /Articles Published:

- A patent (Indian) was filed for technology in heavy metal sensing for environmental applications. The developed pyridine-bis-tyrosine peptide conjugate coordinates Hg(II) ions, forming solid mercury nanoparticles. This process, guided by peptide nanostructures and electron beam exposure, produces crystalline, rhombohedral HgNPs at room temperature.

Participation in Conferences / Seminars / Workshops:

- Attended a DST-TEC Conclave of 2 days in University of Hyderabad (March 2023), where coordinator presented a overview to Technology Enabling Centre in Bundelkhand Region.
- Attended a Workshop of 7 days in Bundelkhand University. (December 2023)
- Attended a workshop of 5 days in chemistry department of Dr. Harisingh Gour Vishwavidyalaya (January 2024)
- Attended a DST-TEC Conclave at DELNET JNU (March 2024)- At the DST-TEC Conclave in Delhi in March 2024, our coordinator presented the progress report and discussed the project's challenges with attendees. The team members from DELNET-JNU were also present at the event to support and provide additional insights.

Other Academic Activities, etc. :

- Problem Statement on Industries about government programs and schemes. (Submitted to DST)
- A TEC satellite center was established in the Department of Chemistry. The office setup was completed before the project's commencement in March 2023. The project's first technological achievement is a website and AI ChatBot for effective user communication and updates on TEC DHSGSU. Visit: <https://tecdhsgsu.in>.
- We are developing an electronic health record (EHR) system for the healthcare industry, providing hospitals and clinics a platform to manage data, patient histories, appointments, and billing information. This system will be accessible via <https://hopewell.pro>, serving as the patient interface. Development is currently in progress.

Industrial Survey to date to date, a comprehensive survey has been conducted involving 18 Micro, Small, and Medium Enterprises (MSMEs) in the Sagar region. The primary objective of this survey was to identify and analyze the various challenges and issues faced by these enterprises.

Information Technology Cell (IT-Cell)

In-charge Officer: Mr. Rupendra J. Chourasia

Information Technology Cell (IT Cell) Overview

The Information Technology Cell (IT Cell) was established on July 11, 2013, in the basement of the Central Library to initiate "E-Governance" in compliance with the "Central University Act-2009" for high-standard teaching and research and effective management of ICT for ERP implementation. In May 2023, it was moved to a new building near the engineering section, which has two floors. On the ground floor, there is a server room, an office for the IT Cell in-charge, and meeting arrangements for other officers and staff. On the second floor, plans are being made to create an IT Cell computer lab.

- (1) **University Website:** The IT Cell manages the university's website [www.dhsgsu.edu.in]. After discontinuing the old website, the IT Cell created pages for various departments and sections of the university. With the help of various stakeholders, the IT Cell made the website informative and scheduled some training sessions for this purpose. The IT Cell assisted all departments and sections in improving their pages for NAAC purposes. The IT Cell is responsible for uploading notifications, circulars, programs, and other such documents as daily updates on the university website.
- (2) **National Knowledge Network (NKN):** An NKN connection is established in the IT Cell. This connection provides the university with 1 Gbps internet speed. The MHRD Railtel Wi-Fi and wired LAN extend the NKN internet service to all departments, sections, hostels, etc. The IT Cell manages the NKN service to provide uninterrupted internet service in the university. From a previous monthly usage of about 100 TB, the university's data usage has surpassed 200 TB. The IT Cell continuously works to improve the performance of the NKN.
- (3) **Wi-Fi Service:** To provide internet service to all stakeholders of the university, the MHRD Railtel Wi-Fi is operational. The IT Cell operates the Wi-Fi service to provide the best service to stakeholders and periodically inspects this setup. The IT Cell has improved user-based policies to enhance internet speed, quality, and reliability.

The IT Cell has started the installation of campus Wi-Fi based on the CapEx model in the university. This new campus Wi-Fi setup, owned by the university, is very economical, high-standard, and secure. This new project began with the installation of new Wi-Fi 6 devices in Nivedita Girls Hostel New, Nivedita Girls Hostel Old, Rani Lakshmi Bai Girls Hostel, and Saraswati Girls Hostel. The new system is based on the latest Wi-Fi 6 standard. Half of the new campus Wi-Fi setup has already been purchased by the IT Cell, and the remaining parts will be procured and installed through tenders.

- (4) **Integrated University Management System (IUMS):** The IT Cell assists in establishing the IUMS to help the university's offices task automation. This is a web-based system with various modules for use. The IT Cell monitors the IUMS service and assists in the functioning of its different modules. The IUMS is currently being used for pre-exam, post-exam, accounts, and store and purchase sections for students from 2020 to 2022.
- (5) **IQAC:** The IT Cell assists the IQAC Cell in making the university website informative for NAAC-related tasks. The IT Cell helped create web links for the NAAC profile and in submitting the AQAR on the NAAC portal. Additionally, the IT Cell supported the IQAC team to give training to all department heads during the submission of the SSR and DVV. The IT Cell also procured pen drives for the NAAC team, which were used to store university data. The tireless efforts of the IT Cell have helped the university achieve an 'A+' grade in NAAC.
- (6) **Assistance in Video Conferencing:** The IT Cell provides technical assistance for conducting video conferences organized by UGC, MHRD, and other such government institutions. The IT Cell has improved the ICT infrastructure used in video conferencing and has worked to strengthen it. It also periodically procures necessary IT equipment. In the future, the IT Cell plans to purchase and install a modern video conferencing system in the university.
- (7) **Convocation Ceremony:** The IT Cell assists in the convocation ceremony. It is responsible for providing information about the convocation on the university's website and offers technical assistance to display it more effectively. The IT Cell manages internet connectivity and provides IT infrastructure for live streaming during the convocation ceremony. Additionally, the IT Cell provides Wi-Fi facilities at various assembly halls or event venues.
- (8) **Samarth-ERP:** Samarth ERP is implemented in the university. Under Samarth ERP, there are a total of 44 modules, out of which the IT Cell has been implemented 33 modules by March 2024, and these modules have been handed over to the respective departments after providing training. The IT Cell continuously provides assistance to all Dept/Section/Cells. The IT Cell has implemented/configured various modules for the university, such as the base module, admission module, recruitment module, etc. Samarth ERP is designed to provide ERP

services to government educational institutions. There is no financial burden on the university for using Samarth's service. The IT Cell has introduced new modules such as file-tracking (starting from April 1, 2024), leave management, hostel management, etc., by improving computerization and automation for the convenience of the university.

(9) IT Cell's Contribution in the Admission Process: After successfully completing the admission process using the Samarth-admission module for 2022-23 and 2023-2024, the IT Cell has initiated the admission process for 2024-2025. The module is very efficient and the IT Cell utilized it to complete all admission. The IT Cell imported data from CUET into Samarth to complete the registration process, admitting approximately 3,000 students in 2022-2023 and around 3,200 students in 2023-2024. The registration for the 2022-2023 admission process was done without any fee, saving candidates approximately INR 3,000,000.

(10) Samarth Portal Helpline Through the University Website: The IT Cell has created a Samarth popup menu button under the image slider on the university website. Clicking on this menu button opens a page containing all the links for the Samarth portal, as follows:

- The student portal login link is displayed first.
- Students can use the hostel module to book a room in the hostel and pay fees through the same portal.
- The department login link is displayed.
- Training videos provided to various departments by the IT Cell are shown.
- User module (demo) videos are also included, used by officials and employees of various departments.
- A student information correction form is also uploaded on this page. Students can fill out this form and submit it to the concerned office to update their information, such as name, email ID, father's name, etc.

(11) Network-Firewall/Server: The University has procured network firewalls and servers to secure its IT systems from cyber threats. These have been installed in the IT Cell's server room. The server will be used as the campus Wi-Fi's RADIUS server and to host the university website.

On June 7, 2024, the university inaugurated new network firewalls, servers, Wi-Fi 6, and core switches. During the event, Honorable Vice-Chancellor Prof. Neelima Gupta stated that the latest firewalls, servers, and core switches play a crucial role in the university's Wi-Fi infrastructure. They will enhance network security and data management capabilities for students, faculty, and staff. As we embrace digital development, the importance of network security increases with the rise in cyber-attacks. The newly installed equipment in the IT Cell will not only protect our critical data but also facilitate the smooth operation of our academic and administrative tasks.

A firewall is a system that protects computers and computer networks from cyber-attacks and blocks unwanted network traffic based on rules set by the IT admin. This ensures the integrity and confidentiality of our data.

Improved Data Processing and Storage Capacity: New servers installed in the IT Cell will significantly increase our data processing and storage capacities, enabling the smooth operation and enhanced performance of our online platforms. Core switches will improve the speed and reliability of our network, ensuring seamless connectivity across the campus. Monitoring of all over 400 Wi-Fi access points installed in the university will be possible through the NMS/Controller Software.

(12) LAN in Nano-Tech Building: The IT Cell has finalized the proposal for installing LAN in the Nano-Tech Building. Approximately 400 network I/O nodes will be installed to provide network connectivity in all computer lab's of the building. The technical specifications, documentation, and administrative approvals for the procurement and installation of LAN in the Nano-Tech Building have been completed, and a tender will be issued soon.

(13) IT Procurement: The IT Cell selects the appropriate IT equipment by reviewing technical specifications according to modern technology and assists the store and purchase section in bidding on the GEM portal and direct purchases.

(14) CU Portal/AIU Portal/UAMP Portal: The IT Cell updates information on the CU, AIU, UAMP, and other portals as needed.

(15) Google Suite: The IT Cell created approximately 3,500 email accounts for university students and staff this year to facilitate **seamless** digital communication. The IT Cell recently acquired 200 Google Workspace Teaching and Learning upgrade subscriptions, allowing access to the following Google Workspace features:

- Google Meet allows up to 250 participants join in the bi-directional meeting at a time.
- Features like attendance tracking, noise cancellation, Q&A, breakout rooms, and polling in Google Meet.
- Recording capability is available.
- Live streaming is available for over 10,000 users in Google Meet.
- Unlimited report usage is available for users.

(16) IT Equipment Condemnation: The IT Cell initiated the process of condemning IT equipment according to DOIT guidelines. Information about old and defective hardware was collected from the university departments. After gathering all information, the old hardware was collected from the departments and stored in the IT Cell's storage (B21). Subsequently, all hardware were checked, and 70 CPUs and 70 monitors were repaired and provided to the departments as needed.

(17) Software for Data Security: To secure the university's data, the IT Cell purchased some important software, detailed as follows:

- In the year 2023-2024, MS Office software for a total of 50 users was purchased and installed on computers in various departments.
- In the year 2023-2024, antivirus software for 300 users was purchased and installed on computers in various departments.
- In the year 2023-2024, a security credential for SSL/TLS was purchased. The SSL/TLS security credential was installed on the web server to protect the university's website from cyber-attacks.

Doctor Gour Koushal Vikas Mela 3.0, November 25 and 26, 2023

Fairs are the best setting for markets and the media to examine new technology and items. In this scenario, face-to-face meetings between decision-makers provide a strong foundation for trust. Attendees at fair exhibits gain a general understanding of what the sector has to offer and as a result, keep an eye on the competition. With this concept in mind, the Community College of Dr. Harisingh Gour Vishwavidyalaya (A Central University), Sagar (MP), organized two days Dr. Gour Koushal Vikas Mela 3.0 on November 25 and 26, 2023. Since 2015, the University's Community College has been working to help students to build their entrepreneurial skills. Community college students are pursuing a range of courses, and there is no upper age limit for studying. Without regard to age constraints, anyone may enroll in any courses and grow their entrepreneurial abilities. According to UGC vide notification dated 2nd May, 2022 the University has allowed Dual Degree Programmes, therefore from current academic session students pursuing regular degrees may join these courses. It will provide them fantastic chances to develop their entrepreneurial talents in a real-world setting. Students engaged in various courses namely Diploma Course in Mushroom Cultivation and Processing, Diploma Course in Retail Management, Diploma Course in Fashion Technology, Designing and Management, Diploma Course in Tourism , Diploma Course in Food Processing and Management, Diploma Course in Historical Tourism and Tourism Guide, Diploma Course in Social Responsibility and Social Audit, PG Diploma Course in Bioinformatics, Diploma Course in Professional Office Executive, Diploma Course in Psychology of Health & WellBeing, Certificate Course in Professional Communication, Certificate Course in Composting Techniques , Certificate Course in Organic Farming, Certificate Course in Management and Entrepreneurship and Certificate Course in Wheat Processing participated in the event and displayed their products for sale. Approximately 6500 people attend the event, where students offered to sell their products at 22 different counters. Participants have earned a total of two lakhs twenty-two thousand and nine hundred ten rupees (Rs.2,22,910.00) during the event.

The fair was inaugurated by Prof. Kanhaiya Lal Berwal, Honorable Chancellor of Dr. Harisingh Gour Vishwavidyalaya, Sagar, and Prof. Neelima Gupta, Hon'ble Vice Chancellor, Dr. Harisingh Gour Vishwavidyalaya, Sagar (MP). The Honorable Vice Chancellor emphasized that rather than searching for employment, students should launch their own enterprises and generate jobs. In addition to their regular academic endeavours, students should also pursue entrepreneurial training, the dignitary urged the audience at the opening ceremony. Dr.S.P.Upadhyay, Registrar, Dr. Harisingh Gour Vishwavidyalaya, Sagar and Prof. P. K. Kathal, Convener of Gour Utsav 2023 also addressed the audience during the opening session.

Shastri Indo-Canadian Institute (SICI)

Professor In-charge: Prof. Devasish Bose

The Shastri Indo-Canadian Institute (SICI) is a unique bi-national organization, mandated by the governments of India and Canada to promote, facilitate and nurture academic linkages, collaborations & exchanges, research partnerships, and networks on bi-national corridors. With its physical presence in New Delhi, India and Calgary, Canada, and a strong base of 142 Indian and 37 Canadian member institutions, for the past 54 years, SICI is the only organization in the Canada-India higher education corridor that is instrumental in building and strengthening intellectual and cultural relationship through research and dialogue. Funded by the Ministry of Education, Government of India, it supports diverse disciplines including Social Sciences, Humanities, Science & Technology, Biotechnology, Agriculture, Arts, Literature, Culture, Law, Business, Economic Reform, etc., and covers all levels of higher education from undergraduate to postdoc and from faculty to collaborative research.

SICI was founded through a mutual proclamation of the governments of Canada and India. The Institute was named after Shri Lal Bahadur Shastri, one of India's most prominent and dynamic Prime Ministers. The promotion of university-level studies and research on India in Canadian educational institutions was the Institute's initial purpose. With its early focus on the humanities and social sciences, the Institute devised various programs including fellowships and providing books and journals pertaining to India to the libraries of the three founding Canadian members of the Institute - McGill University, University of British Columbia, and the University of Toronto. From that modest beginning, the Institute grew by expanding wider support for other domains of studies and by the addition of more Canadian members. 2005 was a landmark year in its history when the Institute became a truly bi-national organization supported equally by both governments. It has helped enhance mutual understanding by sharing ideas, books, and periodicals, fostering exchanges between students and faculty, funding research, stimulating discussions, and promoting academic collaborations.

Global Initiative of Academic Networks (GIAN)

Professor In-charge: Prof. Devasish Bose

Govt. of India approved a new program titled Global Initiative of Academic Networks (GIAN) in Higher Education aimed at tapping the talent pool of scientists and entrepreneurs, internationally to encourage their engagement with the institutes of Higher Education in India so as to augment the country's existing academic resources, accelerate the pace of quality reform, and elevate India's scientific and technological capacity to global excellence.

In order to garner the best international experience into our systems of education, enable interaction of students and faculty with the best academic and industry experts from all over the world and also share their experiences and expertise to motivate people to work on Indian problems, there is a need for a Scheme of International Summer and Winter Term. During the 'Retreat' of IITs with Minister of Human Resource Development Smt. Smriti Zubin Irani on 29th June, 2014 at Goa, it was decided that "A system of Guest Lectures by internationally and nationally renowned experts would be evolved along with a comprehensive Faculty Development Programme not only for new IITs, IIMs, IISERs but also other institutions in the country.

Chapters in Books

- Written a chapter entitled "Role of Block Co-Polymers in Drug Delivery", by Pritish Kumar Panda, Sarjana Raikwar, Pooja Das Bidla, Sunny Rathee, and Sanjay K. Jain. Published by Springer Nature (Accepted)
- Written a chapter entitled "Biosensors for targeted therapeutics" by Sunny Rathee, Shivani Saraf, Sarjana Raikwar, Pooja Das Bidla, Sanjay K. Jain. in the book entitled "Applications of Biosensors in Healthcare" Published by Elsevier Publications, (Accepted).

- Written a chapter entitled “Biosensors for Bioimaging Applications” by Sarjana Raikwar, Sunny Rathee, Sanjay K. Jain, in the book entitled “Applications of Biosensors in Healthcare” Published by Elsevier Publications, (Accepted).
- Written a chapter entitled “Redox-responsive vesicular carriers for potential tumor-targeting applications” by Sunny Rathee, Amit Sahu, Umesh K. Patil, Sanjay K. Jain in the book entitled “Tumor-targeting with stimuli-responsive vesicular nanocarriers: basics to emerging applications” Published by Elsevier Publications.
- Written a chapter entitled “Enzyme-responsive vesicular carriers as an emerging approach for tumor targeting” by Harshita Singhai, Sunny Rathee, Amit Sahu, Umesh K. Patil, Sanjay K. Jain in the book entitled “Tumor-targeting with stimuli-responsive vesicular nanocarriers: basics to emerging applications” Published by Elsevier Publications.
- Written a chapter entitled “Anomalous tumor microenvironment: exploitable features for drug delivery” by Sarjana Raikwar, Sunny Rathee, Umesh K. Patil and Sanjay K. Jain in the book entitled “Tumor-targeting with stimuli-responsive vesicular nanocarriers: basics to emerging applications” Published by Elsevier Publications.
- Written a chapter entitled “Recent development on Anti-Amyloid Monoclonal Antibodies to mitigate CNS disorders” by Sunny Rathee, Debasis Sen, Sanjay K. Jain in the book entitled “Recent development in the enzymatic targets for neurodegenerative disorders” Published by Bentham Science Publishers.
- Written a chapter entitled “Advancements in diagnostic techniques and technology for Gastroenterology” by Sunny Rathee, Vishal Pandey, Sanjay K. Jain in the book entitled “Gastrointestinal Inflammations and Gut Microbiota: Pathophysiology, Management, and Emerging Therapies” Published by Elsevier Publications.

Participation in Conferences / Seminars / Workshops

- Delivered the plenary lecture on “Colon targeted drug delivery: Interface with biology and material science” in 72nd INDIAN PHARMACEUTICAL CONGRESS held at Nagpur, Maharashtra, on 20-22 Jan 2023.
- Delivered invited lecture on “National Biopolymer based colon specific drug delivery: A paradigm shift in drug delivery system development” at Two day National Conference ISFCON-2023 (Guest of Honour) on “Commercialization of natural Products” on 10/2/2023 at ISF College of Pharmacy, Moga (Punjab)
- Delivered invited lecture on “QbD tools: Prospects in Drug Delivery System Development” at AICTE sponsored international conference (Guest of Honour) on 25th Feb at RGPV, Bhopal.
- Chair a scientific session in SKICON 2023 at Shivajirao Kadam Institute of Pharm Education and Research Indore on 24th Feb 2023
- Delivered invited lecture on “Colon specific drug delivery systems: A new paradigm in Drug delivery Research” in International Conference held at Institute of Pharmacy, Bundelkhand University Jhansi UP on 27-28 Feb 2023, as Guest of Honor, Chairperson of Scientific session, and Resource person.
- Delivered keynote speech on Innovation in Pharmaceutical Sciences, at Uttaranchal Institute of Pharmaceutical Sciences, Uttaranchal University, Dehradun, on 21st to 22nd April 2023.
- Delivered invited lecture on “NBA: Preparation for SAR submission and Peer team visit on 16th July 2023 at United Institute of Pharmacy, Naini, Allahabad.
- Delivered Plenary lecture on “Theranostic nanomedicine for colon targeted delivery” in DBT sponsored popular Lecture series organized by NIPER-Ahmedabad on August 5, 2023.
- Delivered guest lecture on “Latest Job opportunities in Pharma sectors”, in HR Conclave on Latest Hiring Trends in Pharmaceutical Industry, at IES University, Bhopal (M.P.) on 11-12 August 2023, as Guest of Honour and Panelist in the Conclave.
- Chair a scientific session in 26th APTICON 2023 at PSIT-Panveer Singh Institute of Technology (Pharmacy), Kanpur, from 2nd to 3rd September 2023.
- Delivered the lecture entitled “Research methodology: Issues and Ethic”, as a Resource Person in the Inter/multidisciplinary refresher Course organized by the UGC-Human Resource Development Centre, Dr. Harisingh Gour Vishwavidyalaya, Sagar, from 12th-26th October 2023.
- Recognized as a valuable Resource Person for 5 days National Level Faculty Development Program (FDP-Online) on “Promoting Excellence, Cultivating growth in Professional Education” held from 21st to 25th Nov 2023, organized by Allana College of Pharmacy, Pune.
- Delivered the lecture entitled “Nanotechnology based colon specific drug delivery: Interface between chemistry, biology and material science”, at KrupaPharmaCon 2024, International Conference organized by the Krupanidhi College of Pharmacy, Bengaluru, on 02 February 2024.

- Delivered the lecture entitled “Nanotechnology based colon specific drug delivery: Interface between chemistry, biology and material science”, at KrupaPharmaCon 2024, International Conference organized by the Krupanidhi College of Pharmacy, Bengaluru, on 02 February 2024.
- Delivered the lecture entitled “Drug delivery to colon: Ancient to Modern Era”, at An International Conference on Synergies in Holistic Healthcare: Bridging the Gap between Modern Pharmaceuticals and Ayurveda, jointly organized by Chandra Shekhar Singh College of Pharmacy and Chandra Shekhar Singh Ayurveda Sansthan, Kaushambi, Uttar Pradesh, on 25th February 2024.
- Invited as a Resource Person in PHARMA-ANVESHAN 2024 (National Summit Leveraging Synergism: Industry Academia Partnership for implementation of National Education Policy), organized by SAM College of Pharmacy, Bhopal, on 06th March 2024.
- Invited as a Resource Person in Three Days National Conference on New Horizons and Current Trends of Traditional Medicine in India, organized by IES University, Bhopal from 19th to 21st March 2024.

- Delivered an invited talk in Refresher Course in Bio Science through virtual mode being organized by the UGC-Human Resource Development Centre, BHU for College and University teachers is scheduled from December 06 - 19, 2023.
- Delivered an invited talk in the 64th Annual International Conference of Association of Microbiologists of India - 2023 and international conference on "Microbes for LiFE: A strategy for well-being (MLiFE-2023)" "Scheduled during December 1-3, 2023 at Department of Microbiology, Bundelkhand University, Jhansi, Uttar Pradesh, India.
- Delivered an invited talk in the International Conference on Advances and Innovations in Biotechnology for Sustainable Bioresources and Bioeconomy (AI-BSBB2023) to be held at AKS University, Satna, Madhya Pradesh, India during November 22-25, 2023.
- Delivered an invited talk in HRDC, Pt. Ravishankar Shukla University (PRSU), Raipur, Chhattisgarh is organizing an Online Multidisciplinary Refresher Course in Biological Science during 14th November to 26th November, 2022 on the theme "Modern tools and techniques in biology - concepts and applications".
- Delivered an invited talk in the Refresher Course on 'Trends and Technologies in Development of Phytomedicinal Products' from 04 October to 17 October 2023 for Teachers of Pharmacy Institutions, organized by UGC-HRDC, Dr. HSGVV, Sagar.

Awards / Honours / Fellowships

- Included in the list of "Top 2% scientists worldwide" in the 2022 database, published by Stanford University, USA, and Elsevier BV.

- Awarded Prof. P. C. Jain Memorial Award Lecture on Fungal Enzymes in Prebiotic Oligosaccharides Generation Golden Jubilee celebration of Mycological Society of India and the International Conference on "Biodiversity, Biotechnology And Bioprospects Of Fungi For Agricultural, Industrial And Environmental Sustainability" (BBBFAIES) on 6 March 2024 at University of Madras

Membership of Boards / Committees / Others

- Chairman, Board of Studies, Dept of Microbiology, Dr. Harisingh Gour Vishwavidyalaya, Sagar

- Organized a webinar on "Fuzzy Mathematics and its Applications" on 23/12/2023 at the Department of Mathematics and Statistics, Dr. H.S. Gour Vishwavidyalaya, Sagar.
- Organized "World Statistics Day-2023" on Oct. 20, 2023 in the Department of Mathematics & Statistics, Dr. H.S. Gour Vishwavidyalaya, Sagar.
- Was one of the organizers of Seminar on "Indian Knowledge Tradition: Vedic Mathematics and Character Building and overall Development of Personality", Dated 11-13 September, 2023 held at Dr. H.S. Gour Vishwavidyalaya, Sagar.
- Was Organizer of "Math-Fest-2023" at the Department of Mathematics and Statistics, Dr. H.S. Gour Vishwavidyalaya, Sagar on June 30, 2023.
- Was Organizer of webinar on "Career Opportunities in Mathematical Sciences", Dr. Harishankar Gupta delivered online talk on 26/06/2023.
- Was Organizer of online "Departmental Alumni Meet" on 27/06/2023.

Participation in Conferences / Seminars / Workshops

- Delivered an invited talk entitled "Graph Sampling: An estimation approach in finite population sampling" in the International Conference on Statistics, Data Sciences and Reliability, exploring trends, methods and applications (IC-SDSRETMA-2023) held at Department of Statistics, M.D. University, Rohtak, Haryana from Dec. 24-26, 2023.
- Delivered invited talk entitled "Basics of system, modeling and simulation" at the workshop on Mathematical Modeling, during Celebration of National Mathematics Day - 2023, January 9-11, 2024 at the Department of Mathematics, RTM Nagpur University, Nagpur, Maharashtra.

Membership of Boards / Committees / Others

- Chairman of Board of Studies (BOS) & Member, School Board of Mathematics & Statistics, Dr. H.S. Gour Vishwavidyalaya, Sagar.
- Chairman of Board of Studies (BOS) for Vedic Studies, Dr. H.S. Gour Vishwavidyalaya, Sagar.
- Member, School Board of Commerce & Management, Dr. H.S. Gour Vishwavidyalaya, Sagar.
- Member, Board of Studies (BoS) in Computer Science, Govt. Girls P.G. College, Sagar.
- Member, Board of Central School, Serial 4, University Campus, Sagar.

Other Academic Activities, etc.**Chaired Session**

- Chaired a session in the International Conference on Statistics, Data Sciences and Reliability, exploring trends, methods and applications (IC-SDSRETMA-2023) held at Department of Statistics, M.D. University, Rohtak, Haryana from Dec. 24 to 26, 2023.
- Chaired a session in the Seminar on "Indian Knowledge Tradition: Vedic Mathematics and Character Building and overall Development of Personality", Dated 11-13 September, 2023 at Dr. H.S. Gour Vishwavidyalaya, Sagar.

Invited Lectures

- Associate Professor **Dr. Anant Narayan H.**, from IIT Bombay, has delivered invited talk on "Projection Map" on September 05, 2023.
- Dr. Prashant Kumar Patel**, Sardar Patel University, Ballabh Vidya Nagar, Gujarat, has delivered invited talk on "Approximation of images" on September 08, 2023.

Prof. R.K. Gangele**Webinar / Conferences / Seminars / Workshops Organized**

- Organizer of Five-days International Workshop on "Approximation Techniques to Solve Problems in Computational Finance", organized by the Department of Mathematics and Statistics, Dr. H.S. Gour Vishwavidyalaya, Sagar, M.P., on 26-30 April, 2024.

Participation in Conferences / Seminars / Workshops

- Attended GIAN Course on Option Pricing: A computational Framework, organized by Department of Mathematics & Computing, Indian Institute of Technology (Indian School in Mines) Dhanbad, 18-23 December, 2023.

Membership of Boards / Committees / Others

Webinar / Conferences / Seminars / Workshops Organized

- Participated as a Chairperson, of technical session in the National Conference on "Nanomedicine for Cancer Theranostics" held at the Department of Pharmaceutical Sciences, DHSGSU (A Central University) Sagar on January 31st 2023.
- Successfully organized a national seminar and worked as an Organizing Secretary on the topic Recent Advances in Chemical Sciences (RACS-2023) at DHSGSU (A Central University) Sagar on March 16th-17th, 2023.

Participation in Conferences / Seminars / Workshops

- Delivered an invited talk on the topic of "Career in Research and Development Sectors: Mentoring Methods and Its Importance" at PM SHRI SCHOOL JawaharNavodayaVidyalaya, Latoli, at IIT Indore, Uttarakhand, District Champawat, on April 26th, 2024.
- Delivered an invited talk at the National Symposium on Glycoslated Nano Carriers for Therapeutics Benefits organized by Gyaanveer College of Pharmacy on May 2nd, 2023.
- Delivered an invited talk on the topic of "Supra(bio)molecular Chemistry : Unveiling Insights Through Advanced Microscopy", at the Department of Chemistry, DHSGSU National workshop on Instrumental Methods for Chemical Analysis, held on April 26th-28th 2024.
- Delivered an invited talk at the National Conference on the topic of "Artificial Intelligence and Machine Learning (AI-ML) Technology Driven Drug Design: Challenges & Opportunities in Medical Biotechnology" in the Department of Biotechnology (DBT) sponsored by Adina Institute of Pharmaceutical Sciences which was held on October 19th, 2023.

Awards / Honours / Fellowships

- Participated in a poster presentation and received "ACS Omega Best Poster Award with INR-3000 cash Prize" (*Title: Short peptide amphiphile nanostructures facilitate sunlight-induced nanowelding of gold nanosheets*) by Shruti Sharma and Dr. K. B. Joshi in National Seminar on Recent Advances in Science (RACS) on March 16th-17th, 2023 in Dr. HarisinghGourVishwavidyalaya (A Central University) Sagar M.P.

Membership of Boards / Committees / Others

- Teacher In-charge, Atomic Force Microscope (AFM) CAR.
- Member of Departmental Research Committee
- Member of Board of Studies (BOS)

Other Academic Activities, etc.

Paper Presented

- Participated and presented a Poster presentation on (*Title: "Metallopeptide-inspired pyridine-bis-tyrosine peptide conjugate mediated facile room temperature synthesis of ultrafine solid mercury nanoparticles (HgNPs) for plausible applications"*) by Shruti Sharma (student) and Dr. K. B. Joshi in - A Conference on Innovations in Materials Science and Workshop on Characterization Techniques held at the Institute Instrumentation Centre, IIT Roorkee from April 24th-27th, 2024.
