*Note:

- Reservation during allotment has been followed as per the reservation policy of Govt. of India
- Allotment is in proportion to the applications received in different Programs.
- The merit list has been prepared by assigning equal weightage to academic performance and the verified distance from the native place to the University. The following formula has been used to compute the merit:

$$\text{Weightage of Academic Score} = \frac{\text{Obtained Score} - \text{Minimum Score}}{\text{Maximum Score} - \text{Minimum Score}} \times 100$$

$$\text{Weightage of Academic Score} = \frac{\text{Verified Distance} - \text{Minimum Distance}}{\text{Maximum Distance} - \text{Minimum Distance}} \times 100$$

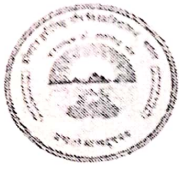

$$\text{Final Merit Score} = \text{Weightage of Academic Score} + \text{Weightage of Distance}$$

Final Merit Score = Normalized Weightage of Academic Score + Normalized Weightage of Distance

Normalized score is not applicable in cases where single application form is received.

- The provisional allotment list is tentative. Respective allotment is subject to verification of the original documents. If any information is found false, the allotment will be cancelled.
- To claim the reservation and distance weightage candidate has to produce domicile certificate/address proof (Aadhar Card) and caste certificate.
