

5-DAY WORKSHOP ON NEXT GEN TOOLS IN MOLECULAR BIOLOGY

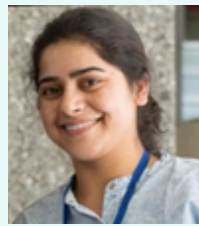

At Department of Biotechnology,
Dr. Harisingh Gour Vishwavidyalaya, Sagar (M. P.)

Prof. Shweta yadav
HoD, Biotechnology
DHSGSU, Sagar

Dr. C. P. Upadhayay
Program Director,
Dept of Biotechnology
DHSGSU, Sagar

Dr. Deekshi Angira
Organizing Secretary,
Dept of Biotechnology
DHSGSU, Sagar

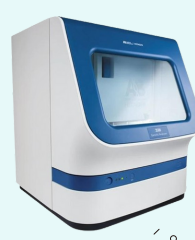

Nov. 03 2025
to
Nov. 07 2025

Key topics Covered

- Nucleic acid (DNA/RNA) isolation
- Restriction Digestion
- Protein isolation & amplification
- Protein quantification and analysis
- Gel Electrophoresis
- Polymerase Chain Reaction: Conventional method and Real-Time PCR (qPCR)
- Gene Cloning techniques
- Basics of Bioinformatics
- Chromatographic techniques

Major Highlights

- Hands-on training with focus on experiment design, optimization and troubleshooting
- Data Analysis and Visualization
- Expert talks by eminent speakers from renowned universities and research institutes.
- Group and panel Discussion with experts

Eminent Speakers

Dr. Ashwani Kumar
University of Allahabad

Dr. Praveen Bawankar
DHSGSU, Sagar, M.P.

Dr. Sonal Mathur
DHSGSU, Sagar, M.,P.

Eligibility & FEE

1. Under Graduates.....1000 Rs /-
2. Post Graduates.....1000 Rs /-
3. Research Scholars ...1500 Rs /-
4. Faculty Members.....1500 Rs /-

Hurry !!
50 Seats
Only
