Multiple Entry/Exit and Indian Knowledge System

|                                                                                           |     |
|-------------------------------------------------------------------------------------------|-----|
| 1. Has your institution implemented multiple entry/exit in your institution?              | YES |
| 2. Has your institution been teaching courses in Indian Languages?                        | YES |
| 3. Has your institution introduced courses on Indian Knowledge System?                    | YES |
| 4. Has your institution established the Grievance Redressal Cell?                         | YES |
| 5. Is your institution admitting students through National and State Level entrance exam? | YES |

Sustainable Living Practices

|                                                                                                                               |
|-------------------------------------------------------------------------------------------------------------------------------|
| 1. What specific programs does the institution/university have in place to reduce or eliminate single-use plastics on campus? |
| • Ban on single-use plastic items (e.g., straws, cutlery, plates)                                                             |
| 2. What actions has the institution/university taken to reduce its carbon footprint? (Select all that apply)                  |
| • Energy-efficient buildings                                                                                                  |
| • Renewable energy installations                                                                                              |
| • Offsetting emissions                                                                                                        |
| • Sustainable procurement                                                                                                     |
| 3. What is the level of recycling infrastructure available on your campus?                                                    |
| • Comprehensive infrastructure (bins, awareness, collection systems)                                                          |
| 4. What type of rainwater harvesting system has been implemented at your institution/university?                              |
| • Rooftop Rainwater Harvesting System                                                                                         |
| • Recharge Wells                                                                                                              |
| • Storage Tank System                                                                                                         |

5.Which renewable energy sources are installed on your institution/ university campus ? (Please select all that apply)

• Solar Panels

6. What is the institution's approach to minimizing food waste?

• Composting systems

• Sustainable food procurement
