Basis of Allotment

- Every applicant's Verified Distance (measured from home town/state to Sagar) has been checked against the University's minimum-distance norm, and ranked in a single merit list by distance, descending.
- Reservation has been applied as per the extant Government of India policy for central educational institutions: SC 15%, ST 7.5%, EWS 10%, OBC-NCL 27%, with the balance as Unreserved (UR/open merit), converted to whole seats by the largest-remainder method.
- In respect of any Course of study for which no applicant met the University's minimum-distance norm, the Committee has allotted one seat to that School/Course to the applicant with the greatest verified distance among those available, notwithstanding the norm, so that no School/Course stands without appropriate representation. This relaxation applies only to the specific School(s)/Course(s) so affected; it does not alter the distance-based merit ranking applied to every other seat in this list.
- Allotment for any candidate who fails to produce the required documents, or whose claimed particulars do not match the documents produced, shall stand automatically cancelled, and the seat shall be offered to the next-ranked eligible applicant in the same category.
- If a candidate does not submit the hostel application form together with the prescribed fee before the notified last date, the allotment shall be treated as cancelled automatically.
- This list has been prepared by the undersigned Hostel Allotment Committee and is subject to its final review, correction, and approval.
