| <u>Interaction of Host Faculty:</u><br><p>The host faculty has pivotal role in coordinating with International Guest Faculty. We have interaction since last 2-3 years through publications. When I told her about GIAN programme she eagerly accepted my invitation. During her visit we have long discussion on different issues and future planning and publications. We have written a couple of joint research papers. We finalized a project for VAJARA scheme of DST.</p> |                         |
