

2021-22-STUDENT FEEDBACK

M.A. Political Science Total Response - 23

2021-22-STUDENT FEEDBACK

M.A. Public Administration Total Response - 10

Evaluation of M.A. Political Science (2021-22) Feedback of Students

The following questions were asked to the Student of the image political science. There were a total of **23 responses** out of total **23 students**. The multiple-choice answers are categorised into 5 responses: **Below Average, Average, Very Good, Good and Excellent**.
(The Data analysed is converted into percentage.)

1. The Course content provides sufficient knowledge and skill about the course?

The responses from the students are: 52.17% of the students respond excellent, 21.73% of the student was found with very good, and 17.39% responded to good, 8.69% responded average. So the students were satisfied with the course content that provides sufficient knowledge and skill about the course.

Excellent	=	12
Very Good	=	5
Good	=	4
Average	=	2
Below Average	=	0

2. The course is well structured, interesting and relevant and up to date.

The responses from the students are: 52.17% of the students respond excellent, 34.78% of the student was found with very good, and 13.04% responded to good. So the students were satisfied with the course content of political science which is well structured, interesting, relevant and up to date.

Excellent	=	12
Very Good	=	8
Good	=	3
Average	=	0
Below Average	=	0

3. The unit / sections in the syllabus are properly sequenced.

The responses from the students are: 60.86% of the students respond excellent, 17.39% of the student was found with very good, and 17.39% responded to good, 4.34% responded average. So the students were satisfied with the way unit/sections were sequenced in the syllabus.

Excellent	=	14
Very Good	=	4
Good	=	4
Average	=	1
Below Average	=	0

4. The course content is adequate in relation to the expected course outcome.

The responses from the students are: 56.52% of the students respond excellent, 13.04% of the student was found with very good, and 21.73% responded to good, 4.34% responded average, and 4.34% responded below average. So the students was satisfied that the course content is adequate in relation to the expected course outcome.

Excellent	=	13
Very Good	=	3
Good	=	5
Average	=	1
Below Average	=	1

5. The allocation of the credits to the course is appropriate in relation to the level of course contents.

The responses from the students are: 52.17% of the students respond excellent, 17.39% of the student was found with very good, and 17.39% responded to good, 13.04% responded average. So the students was satisfied with the allocation of the credits to the course is appropriate in relation to the level of course contents.

Excellent	=	12
Very Good	=	4
Good	=	4
Average	=	3
Below Average	=	0

6. The course is useful in terms of knowledge, concepts, vocational skills and analytical ability and broadening perspective.

The responses from the students are: 52.17% of the students respond excellent, 17.39% of the student was found with very good, and 26.08% responded to good, 4.34% responded average. So the students found the course is useful in terms of knowledge, concepts, vocational skills and analytical ability and broadening perspective.

Excellent	=	12
Very Good	=	4
Good	=	6
Average	=	1
Below Average	=	0

7. The prerequisite learning is required for this course?

The responses from the students are: 47.82% of the students respond excellent, 26.08% of the student was found with very good, and 13.04% responded

to good, 13.04% responded average. So the students found prerequisite learning adequate for this course.

Excellent	=	11
Very Good	=	6
Good	=	3
Average	=	3
Below Average	=	0

8. The course is relevant to the specialization and to the technological advancements?

The responses from the students are: 47.82% of the students respond excellent, 34.78% of the student was found with very good, and 13.04% responded to good, 4.34% responded average. So the students found the course relevant to the specialization and to the technological advancements.

Excellent	=	11
Very Good	=	8
Good	=	3
Average	=	1
Below Average	=	0

9. Availability study material in library and E-contents.

The responses from the students are: 43.47% of the students respond excellent, 13.04% of the student was found with very good, and 21.73% responded to good, 26.08% responded average. So the students were satisfied with the availability of the study material in library and E-contents.

Excellent	=	9
Very Good	=	3
Good	=	5
Average	=	6
Below Average	=	0

10. Level of experimental study/teaching in the Vishwavidyalaya.

The responses from the students are: 43.47% of the students respond excellent, 21.73% of the student was found with very good, and 21.73% responded to good, 4.34% responded average, and 8.69% responded below average. So the students were satisfied with the level of experimental study/teaching in the Vishwavidyalaya.

Excellent	=	10
Very Good	=	5
Good	=	5
Average	=	1
Below Average	=	2

11. Delivery of course content in organised manner as per syllabus with case studies/ demo models completion of course on time by course coordinator.

The responses from the students are: 52.17% of the students responded excellent, 26.08% of the student was found with very good, and 21.73% responded to good. The students were satisfied with the Delivery of course content in organised manner as per syllabus with case studies/ demo models completion of course on time by course coordinator.

Excellent	=	12
Very Good	=	6
Good	=	5
Average	=	0
Below Average	=	0

12. Classes are interesting, interactive, and participatory via activity outcome-based learning?

The responses from the students are: 60.86% of the students responded excellent, 17.39% of the student was found with very good, and 17.39% responded to good, 4.34% responded below average. So the students found that the Classes are interesting, interactive, and participatory via activity outcome-based learning.

Excellent	=	14
Very Good	=	4
Good	=	4
Average	=	0
Below Average	=	1

13. Course coordinator is knowledgeable, honest, sincere cordial, enthusiastic, energetic and approachable?

The responses from the students are: 52.17% of the students respond excellent, 34.78% of the student was found with very good, and 8.69% responded to good, and 4.34% responded average. So the students found course coordinator knowledgeable, honest, sincere, cordial, enthusiastic, energetic and approachable.

Excellent	=	12
Very Good	=	8
Good	=	2
Average	=	1
Below Average	=	0

14. Transparency towards evaluation revaluation of Answer, scripts / assignments by course faculty?

The responses from the students are: 47.82% of the students respond excellent, 34.78% of the student was found with very good, and 8.69% responded to good, 8.69% responded average. So the students were satisfied with the transparency towards evaluation of Answer, scripts / assignments by course faculty.

Excellent	=	11
Very Good	=	8
Good	=	2
Average	=	2
Below Average	=	0

15. Encouragement for self-learning self-study by course?

The responses from the students are: 65.21% of the students respond excellent, 17.39% of the student was found with very good, and 13.04% responded to good, 4.34% responded below average. So the students were satisfied with the encouragement for self-learning self-study by course.

Excellent	=	15
Very Good	=	4
Good	=	3
Average	=	0
Below Average	=	1

Evaluation of M.A. Public Administration (2021-22) Feedback of Students

The following questions were asked to the Student of the image political science. There were a total of **10 responses** out of total **10 students**. The multiple-choice answers are categorised into 5 responses: **Below Average, Average, Very Good, Good and Excellent**.

(The Data analysed is converted into percentage.)

1. The Course content provides sufficient knowledge and skill about the course?

The responses from the students are: 4.34% of the students respond excellent, 21.73% of the student was found with very good, and 8.69% responded to good, 8.69% responded average. So the students were satisfied with the course content that provides sufficient knowledge and skill about the course.

Excellent	=	1
Very Good	=	5
Good	=	2
Average	=	2
Below Average=		0

2. The course is well structured, interesting and relevant and up to date.

The responses from the students are: 13.04% of the students respond excellent, 17.39% of the student was found with very good, and 13.04% responded to average. So the students were satisfied with the course content of public administration which is well structured, interesting, relevant and up to date.

Excellent	=	3
Very Good	=	4
Good	=	0
Average	=	3
Below Average=		0

3. The unit / sections in the syllabus are properly sequenced.

The responses from the students are: 8.69% of the students respond excellent, 21.73% of the student was found with very good, and 8.69% responded to good, 4.34% responded average. So the students were satisfied with the way unit/sections were sequenced in the syllabus.

Excellent	=	2
Very Good	=	5
Good	=	2
Average	=	1
Below Average=		0

4. The course content is adequate in relation to the expected course outcome.

The responses from the students are: 13.04% of the students respond excellent, 4.34% of the student was found with very good, and 17.39% responded to good, and 8.69% responded average. So the students was satisfied that the course content is adequate in relation to the expected course outcome.

Excellent	=	3
Very Good	=	1
Good	=	4
Average	=	2
Below Average	=	0

5. The allocation of the credits to the course is appropriate in relation to the level of course contents.

The responses from the students are: 8.69% of the students respond excellent, 21.73% of the student was found with very good, and 4.34% responded to good, 8.69% responded average. So the students was satisfied with the allocation of the credits to the course is appropriate in relation to the level of course contents.

Excellent	=	2
Very Good	=	5
Good	=	1
Average	=	2
Below Average	=	0

6. The course is useful in terms of knowledge, concepts, vocational skills and analytical ability and broadening perspective.

The responses from the students are: 17.39% of the students respond excellent, 17.39% of the student was found with very good, and 8.69% responded average. So the students found the course is useful in terms of knowledge, concepts, vocational skills and analytical ability and broadening perspective.

Excellent	=	4
Very Good	=	4
Good	=	0
Average	=	2
Below Average	=	0

7. The prerequisite learning is required for this course?

The responses from the students are: 4.34% of the students respond excellent, 17.39% of the student was found with very good, and 13.04% responded to good, 8.69% responded average. So the students found prerequisite learning adequate for this course.

Excellent	=	1
-----------	---	---

Very Good	=	4
Good	=	3
Average	=	2
Below Average	=	0

8. The course is relevant to the specialization and to the technological advancements?

The responses from the students are: 8.69% of the students respond excellent, 13.04% of the student was found with very good, and 13.04% responded to good, 4.34% responded average, and 4.34% responded below average. So the students found the course relevant to the specialization and to the technological advancements.

Excellent	=	2
Very Good	=	3
Good	=	3
Average	=	1
Below Average	=	1

9. Availability study material in library and E-contents.

The responses from the students are: 8.69% of the students respond excellent, 17.39% of the student was found with very good, and 8.69% responded to average, 8.69% responded average. So the students were satisfied with the availability of the study material in library and E-contents.

Excellent	=	2
Very Good	=	4
Good	=	0
Average	=	2
Below Average	=	2

10. Level of experimental study/teaching in the Vishwavidyalaya.

The responses from the students are: 4.34% of the students respond excellent, 30.43% of the student was found with very good, and 4.34% responded to good, and 4.34% responded average. So the students were satisfied with the level of experimental study/teaching in the Vishwavidyalaya.

Excellent	=	1
Very Good	=	7
Good	=	1
Average	=	1
Below Average	=	0

11. Delivery of course content in organised manner as per syllabus with case studies/ demo models completion of course on time by course coordinator.

The responses from the students are: 13.04% of the students respond excellent, 21.73% of the student was found with very good, and 8.69% responded to average. The students were satisfied with the Delivery of course content in organised manner as per syllabus with case studies/ demo models completion of course on time by course coordinator.

Excellent	=	3
Very Good	=	5
Good	=	0
Average	=	2
Below Average	=	0

12. Classes are interesting, interactive, and participatory via activity outcome-based learning?

The responses from the students are: 13.04% of the students respond excellent, 21.73% of the student was found with very good, and 8.69% responded to good. So the students found that the Classes are interesting, interactive, and participatory via activity outcome-based learning.

Excellent	=	3
Very Good	=	5
Good	=	2
Average	=	0
Below Average	=	0

13. Course coordinator is knowledgeable, honest, sincere cordial, enthusiastic, energetic and approachable?

The responses from the students are: 13.04% of the students respond excellent, 17.39% of the student was found with very good, and 13.04% responded to good. So the students found course coordinator knowledgeable, honest, sincere, cordial, enthusiastic, energetic and approachable.

Excellent	=	3
Very Good	=	4
Good	=	3
Average	=	0
Below Average	=	0

14. Transparency towards evaluation revaluation of Answer, scripts / assignments by course faculty?

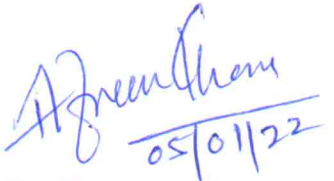

The responses from the students are: 8.69% of the students respond excellent, 26.08% of the student was found with very good, 4.34% responded to good, and 4.34% responded average. So the students were satisfied with the transparency towards evaluation of Answer, scripts / assignments by course faculty.

Excellent	=	2
Very Good	=	6
Good	=	1
Average	=	1
Below Average	=	0

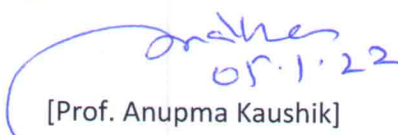

15. Encouragement for self-learning self-study by course?

The responses from the students are: 13.04% of the students respond excellent, 26.08% of the student was found with very good, and 4.34% responded to good. So the students were satisfied with the encouragement for self-learning self-study by course.

Excellent	=	3
Very Good	=	6
Good	=	1
Average	=	0
Below Average	=	0
