Report of Student Feedback (2021-22)

1. Feedback was taken from the students of B.Lib.I.Sc and M.Lib.I.Sc. programmes for the academic session 2021-22 about the courses by the IQAC. Fourteen (14) students from B.Lib.I.Sc. and nine (09) students from M.Lib.I.Sc. participated in the survey.
2. More than 90% students of M.Lib.I.Sc. and B.Lib.I.Sc. find the sequencing of units and course usefulness to be good to excellent.
3. 86% students of B.Lib.I.Sc. 89% students of M.Lib.I.Sc. found the course coordinators knowledgeable, honest and sincere; and that due transparency was followed in evaluation of answer scripts. The course coordinators were also energetic and approachable. The students were encouraged for self learning.
4. However, 01 student of M.Lib.I.Sc. and 01 student of B.Lib.I.Sc., found some aspects of the course below average and were not satisfied with delivery of course content.
5. In 2020 the UGC-LOCF syllabus for B.Lib.I.Sc. was adopted in total and the response shows the students are satisfied with the course content.
6. IQAC and the Department took measures to make students aware about the new system of online feedback and this has led to increased participation by students in comparison to 2020-21. We expect much better participation from the students in the academic session 2022-23.
7. We have also restructured and redesigning the syllabus, of both B.Lib.I.Sc. and M.Lib.I.Sc., in accordance to NEP 2020 for academic session 2022-23 and also keeping the feedback of students of 2020-21 in mind. The syllabus will be further improved based on the feedback from the students of academic session 2021-22.
