

2021-22-STUDENT FEEDBACK

DEPARTMENT OF COMMUNICATION AND JOURNALISM

Dr. Harisingh Gour Vishwavidyalaya, Sagar, M.P.

Report of Student Feedback

MA(JMC)- (2021-22)

1. Feedback was taken from the students of MA (JMC) programme for the academic session 2021-22 about the courses by the IQAC. Nine (09) students from MA (JMC) participated in the survey.
2. The feedback of the students shows that the course content is good and excellent, well structured and adequate in relation to expected outcomes. Only one students has given feedback that is average.
3. Majority of the students find the course relevant and interesting with content for skill development and broadening subject perspective.
4. The respondents found the course coordinators knowledgeable, honest and sincere; and that due transparency was followed in evaluation of answer scripts. The course coordinators were also energetic and approachable.
5. Observations of the respondents are excellent that the units/sections in the syllabi are properly sequenced.
6. Observation of the respondents are very good that the course content is adequate in relation to the expected course outcome
7. Observation of the students is good and excellent that the course is useful in terms of knowledge, concept, vocational skill, analytical ability and broadening perspective.
8. Availability of e content and study materials in library is very good and excellent as per observation of the student.
9. Classes are good, excellent and very good and delivery of course content is organized and the feedback is good.
10. Experimental learning is weak according to students. The department is trying to develop its lab and making available other equipments for practical knowledge.
11. Majority of the students are satisfied with the behavior and knowledge of the course coordinators.
12. Delivery of the course content is in organized manner according to majority of the respondents.
13. Transparency in evaluation is satisfactory as per feedback of the students.
14. Level of encouragement for self learning/studies by the course is very good and excellent.
15. In view of the above feedback, IQAC and the Department have taken measures to make students aware about the new system and we expect much better participation from the students in the academic session 2022-23. This will help us to get a better insight on the merits and shortcomings of the syllabus and teaching-learning process.
16. The syllabus will be further improved based on the feedback from the students. We are also restructuring and redesigning the syllabus as per NEP 2020 which will be effective from session 2022-23
