

2021-22-STUDENT FEEDBACK

Bachelor of Fine Arts Total Response - 07

DEPARTMENT OF FINE ARTS & PERFORMING ARTS

Dr. Harisingh Gour Vishwavidyalaya, Sagar, M.P.

Report of Student Feedback

B.F.A. Fine Arts (2021-22)

1. Feedback was taken from the students of B.F.A programme for the academic session 2021-22 about the courses by the IQAC. Seven (07) students from B.F.A participated in the survey.
2. The feedback of the students shows that the course content is very good and excellent, well structured and adequate in relation to expected outcomes. Only one student has given feedback that is average.
3. Majority of the students find the course relevant and interesting with content for skill development and broadening subject perspective.
4. The respondents found the course coordinators knowledgeable, honest and sincere; and that due transparency was followed in evaluation of answer scripts. The course coordinators were also energetic and approachable.
5. Observations of the respondents are excellent that the units/sections in the syllabus are properly sequenced.
6. Observation of the respondents are very good that the course content is adequate in relation to the expected course outcome.
7. Observation of the students is very good and excellent that the course is useful in terms of knowledge, concept, vocational skill, analytical ability and broadening perspective.
8. Availability of e-content and study materials in library is very good and excellent as per observation of the student.
9. Classes are good, excellent and very good and delivery of course content is organized and the feedback is good.
10. Experimental learning is strong according to students. The department is trying to develop its lab and making available other equipments for practical knowledge.
11. Majority of the students are satisfied with the behavior and knowledge of the course coordinators.
12. Delivery of the course content is in organized manner and very good according to majority of the respondents.
13. Transparency in evaluation is very good and excellent as per feedback of the students.
14. Level of encouragement for self learning/studies by the course is very good and excellent.
15. The syllabus will be further improved based on the feedback from the students. We are also restructuring and redesigning the syllabus as per NEP 2020 which will be effective from session 2022-23.
