HEALTH AND SENSITIZATION

2016-21

CHAPTER-14

HEALTH AND SENSITIZATION

Introduction:

Physical fitness is the first requisite of happiness. To keep the body in good health is a duty otherwise, we shall not be able to keep the mind strong & clear.” The Health & Sanitation department of Dr.HariSinghGour University is one of the important unit for the implementation of various health policies & delivery of utmost health care& management of health & sanitation services of the entire campus. It functions as a primary level of health care centre that provides curative, preventive & promotive health care services to all the university beneficiaries. This report contains collective information of various aspects of the health centre i.e. organization, administration, operational facilities, rules & regulations briefly.
