## The Vishwavidyalaya

Doctor Harisingh Gour Vishwavidyalaya was initially established as University of Sagar on 18th July 1946 by Dr. Hari Singh Gour, a great visionary and a social reformer with an unparalleled professional profile. He is renowned as an eminent legal luminary, an orator par excellence and above all a humanist at heart. Dr. Gour had humble beginnings in early life but with his exceptional talent and perseverance he achieved unprecedented heights and donated a handsome amount of 2 crores 20 lakhs from his life savings for this university, established with the vision of education and upliftment of the backward sections of the society. It is one of the oldest and biggest universities of M.P. spread across 1312.89 acres of spectacular campus with 10 Schools, 36 University Teaching Departments, 37 Affiliated Colleges and 6 Hostels. The Central Jawaharlal Nehru Library enriched with more than 3, 56,473 books and 146 journals are connected with INFLIBNET. The university was upgraded to the status of a central university in 2009 and also received 'A' grade in accreditation by NAAC.

## The Department

The Department of Education came into existence in the year 1961 and till 1967 functioned as a M.P. Government's Post Graduate Basic Training (PGBT) College, in 1967 was upgraded and from 1967-2011 functioned as "University College of Education". After the up-gradation of the university in to a Central University on 15 January 2009, this University College of Education with all its entities and amenities was transformed into a 'Department of Education' under the aegis of a separate school "School of Educational Studies (SES)" on 27 March 2011.

The department has been upgraded into School of Education under the MHRD scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNTT) and has 2 centres running namely Centre for Pre-Service Teacher Education (CPSTE) & Centre for Professional Development of Teacher Educators (CPDTE).

## Concept Note

Early Childhood Care and Education (ECCE) is considered a precursor to school education. The pre-school years play a significant role in preparing children for the school education and contributes to enrolment, helps reduce dropouts in early years and helps children acquire Foundational Literacy and Numeracy in early grades. NEP, 2020 has laid importance on the universalization of ECCE with a 2030 target to ensure that all students entering Grade 1 are school ready. It also advocates the overall aim of 'ECCE to focus on attaining optimal outcomes in the domains of: physical and motor development, cognitive development, socio-emotional-ethical development, cultural/artistic development, and the development of communication and early language, literacy, and numeracy'. For the first time, ECCE has been considered from age 3 onwards and includes it in the formal structure of school education in the policy. This provision is historic in the Indian Education history. This seminar will definitely contribute some new ideas and approaches regarding the successful implementation of NEP, 2020.

## Objectives of the Seminar

- To examine the provision of Early Childhood Care and Education (ECCE) in NEP, 2020.
- To discuss the role of governmental and non-governmental organizations in the universalization of ECCE.
- To promote different ideas, issues and challenges related to ECCE with reference to NEP, 2020.
- To examine the provisions of ECCE at national and international level and discuss the different pedagogical and assessment approaches used in public as well as private ECCE center's.
- To explore the possibility of how quality ECCE will be provided with in the time frame.
