

Teacher's Day Celebration

Department of Biotechnology has celebrated Teacher's Day on 5th Sept. 2022. All the students from MSc II & IV Semesters along with the research scholars, faculties, and head of the department gathered to make the occasion auspicious. The program was initiated by worshiping the goddess Saraswathi and the founder of the university Dr. Gour by lighting the lamp. A few cultural activities were performed by master's students. The Head of the department, Prof. Varsha Sharma delivered a motivational speech on the occasion. Also, Dr. C. P. Upadhyaya enlightened the students by discussing the importance of celebrating teacher's day. Furthermore, Dr. Upadhyaya spoke about how crucial it is to be innovative and a good learner for the students. He added a few points about the journey and qualities of Dr. Sarvapalli Radhakrishnan that made him recognized as one of the best teachers and philosophers in the world.

Report: Head of the Department of Biotechnology.
