An Invitation

It is a matter of great privilege to share with you that the Department of Economics, **Dr. Hari Singh Gour Vishwavidyalaya, Sagar (M.P.)**, is organizing a **National Seminar and XXVIII Annual Conference of Madhya Pradesh Economic Association (MPEA)** on **24-25 February 2018**. The twin programmes is being held to provide a platform to all the academicians, faculties, scholars and other participants to deliberate upon and discuss the various issues of economic relevance related to the Indian economy and the State of Madhya Pradesh.

The Two days National Seminar will be held at from March 5th, 2016 to March 6th, 2016. It is being hosted by the Department of Economics. The Focal Theme of the seminar is "**Current Issues and Challenges of Agriculture Sector in India**" which aim to focus attention to Current spate of agriculture issues and challenges in Indian agriculture system. The seminar, however shall be inclusive in nature and provide an open platform to all concern. All are invited to present their research paper and participate in the discussion and proceedings of two days long seminar.

Our University

Dr. Harisingh Gour Vishwavidyalaya, Sagar was founded at Sagar on 18th July, 1946 by the sole initiative and donation of Sir Dr. Harisingh Gour. He was the founder Vice Chancellor of this University. Earlier it was known as University of Saugar and became a Central University by the Act of parliament on 15th January, 2009, located on the Vindhya range of mountain.

Department of Economics

The Department of Economics is the pioneer teaching department in the university and involved in teachings of Economics at the graduate & post graduate levels leading to M.A. in Economics along with facilities for Ph.D. in this discipline. The department of economics is one of the oldest department of this university. It started functioning on 18th July 1946. This department has been actively involved in researches in the field of Agriculture,

Banking, Labour, Industrial, Rural Economy & other sector of Economy.

Location and weather

Sagar is a divisional head quarter and well connected by rail and all seasons roads. Sagar Railway station is located on Bina Katni section of West Central Railway. It is directly connected by train to Bina Junction, Jaipur, Delhi and Raipur. It has a moderate climate during March, temperature range between 18°C to 30°C.

Themes of the Seminar

FOCAL THEME: Current Issues and Challenges of Agriculture Sector in India

Agriculture is the backbone of the Indian Economy. Current agricultural practices are neither economically nor environmentally sustainable and India's yields for many agricultural commodities are low.

Sub Theme:

- Managing Globalization in the Agriculture Sector
- Land acquisition & rehabilitation Policies
- Agriculture Trade and Food Security
- Food Safety, quality and nutrition in changing environment
- Climatic variability, disasters, Human Health & Agriculture
- Governance in agriculture and allied sector
- Population dynamics and hunger
- Adaptation and mitigation in Agriculture
- Financial initiative and agriculture development
- Land Use and Land cover Change
- Capacity building, policies & institutional strengthening
- Science, Society, Technology and agriculture
- Drivers of Agriculture Growth in M. P.
- Mitigating Price Rush in Agriculture- Can Bhavantar Scheme be the Solution?
- NABARD and Financial Inclusion in M. P.-Way Ahead

The conference will be organized with plenary and parallel sessions that allow participants to present original research, share innovative ideas and deliberate openly on pressing issues in agricultural governance. Sessions are tentatively organized

Expected Outcomes from the Seminar

The seminar would deliberate on various issues pertaining to agricultural sector in India contributing to improved agriculture and allied sectors. The knowledge gained during

the seminar through keynote speeches and presentations is expected to be of relevance to both administrators and researchers involved in agriculture development and help implement result oriented interventions in agriculture and allied sectors.

Participants

The seminar aims to bring together policy makers, development economists, academicians, researchers in agriculture and allied sectors to exchange and share their experiences and research results about all aspects of Agricultural issues and challenges in agriculture Sector. The conference would be also of great use for bankers and insurers, input suppliers, policy makers, and thinker involved in agriculture development. It is planned to invite academicians, researcher, policy makers, industrialist having interests and links to agriculture, horticulture, animal husbandry, fisheries and other allied sectors.
