Association of Indian Universities (AIU) is an apex Inter-University organisation established to bring all higher education institutions in India to a common platform to protect the interest of Indian higher education and to promote at Global level. One of the key activities of the AIU is to convene the Vice Chancellors Meet's at the Zonal and National levels to discuss various issues related to higher education. In such endeavours the Bharat-Nepal Summit 2024 was organized at Kathmandu University.

The Summit aimed to investigate subjects related to the future of Higher Education in 2047, considering existing trends and potential improvements. **Amrit Kaal** period from 2022 to 2047, has significant potential for reforming higher education to address 21st-century concerns. For the academic year 2023-2024, AIU selected the main theme as "**Higher Education @2047.**" The meeting was focused on the issue of '**Globalisation and Internationalisation of Higher Education**'.

Goal of the Meeting: The Summit aimed to provide an exciting opportunity for the High School, College, and University students of Nepal to interact face-to-face with faculty of about 100 Indian universities and explore the opportunities provided by those Universities. The Summit fostered the collaboration and knowledge exchange among the Universities from both nations and further strengthen the educational ties between Bharat & Nepal. Dr. Harisingh Gour Vishwavidyalaya had put up an academic stall to show off the facilities of the Universities and most notable accomplishments. Information about different graduate, postgraduate, and PhD courses was showcased so that students could learn about the possibilities to study in the University and work together with people of Dr. Harisingh Gour Vishwavidyalaya in a big way.

Deliberation of Hon'ble Vice Chancellor Prof. Neelima Gupta in the Summit.

Prof. Neelima Gupta, Vice Chancellor, Dr. Harisingh Gour Vishwavidyalaya delivered lecture on **"International Collaborations & Partnership: Building bridges for Higher Education"**. She emphasized the internationalization and globalization of the education system and explored the potential for student exchange programs for international students. She also highlighted the worldwide significance of the curriculum and courses. She also addressed the issue of brain drain and pointed out the needed solutions. At the same time she suggested solutions and briefed about the initiatives facilitated by UGC, aimed at attracting foreign students and retaining Indian students etc.

Prof. Gupta pushed the globalization of the academic community to enhance understanding of education systems at the national and global scale, foster cultural interchange, and promote world peace. At the end, she recommended implementing strategies including outreach activities, website enhancements, strong digital presence, dynamic admission procedures, and streamlined immigration processes to attract and welcome international students.
