Department of Zoology

The **Department of Zoology** at **Harisingh Gaur University** proudly joined the national initiative, **Swachhata Hi Sewa 2024**, a campaign dedicated to promoting cleanliness and environmental responsibility across the country. Recognizing our department's commitment to studying and conserving biodiversity, we felt a strong responsibility to lead by example in addressing issues of sanitation and waste management. The program, celebrated with enthusiasm and unity among faculty, staff, and students, focused on fostering a clean and sustainable environment within our campus and community. Through this event, our department aimed to instill the values of cleanliness and environmental stewardship in all participants, further aligning with our mission to respect and protect all forms of life.

SWACHHTA PLEDGE

Mahatma Gandhi dreamt of an India which was not only free but also clean and developed.

Mahatma Gandhi secured freedom for Mother India. Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time for this.

I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness.

I will neither litter nor let others litter.

I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place.

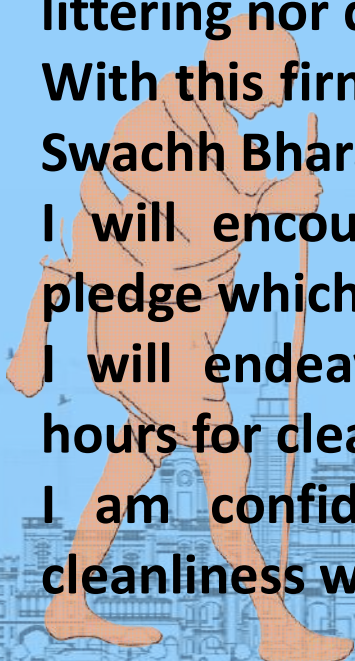

I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen.

With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns.

I will encourage 100 other persons to take this pledge which I am taking today.

I will endeavour to make them devote their 100 hours for cleanliness.

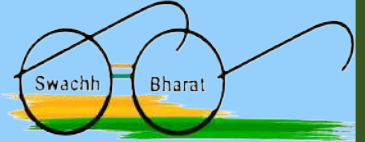

I am confident that every step I take towards cleanliness will help in making my country clean.

All the members of department taking oath of Swachhata hi seva
