From the Desk of Vice-Chancellor

I am delighted to present our University to you and welcome you to be involved in the progress of the university as its stakeholders. I also take this opportunity to invite all those who aspire for true learning and quality education to Doctor Harisingh Gour Vishwavidyalaya, Sagar, a seat of learning established as a University in Madhya Pradesh in 1946 with a campus spread over about 1300 acres. It was upgraded to a Central University on 15th January 2009 and was accredited 'A+' Grade (3.38 score) by NAAC in the Fourth cycle.

The University offers multidisciplinary academic programs at undergraduate, postgraduate and doctoral levels through its 11 Schools with sound infrastructure and innovative approach for teaching. The University has well equipped laboratories with modern and sophisticated instruments to encourage quality research. Most of the Departments have project funds from UGC, DST, ICMR, MPCST and other national agencies. Some are also recognized centers of the UGC and DST under the DRS, PURSE and FIST programs. Under GIAN scheme, eminent academicians are invited from abroad to acquaint the students with the latest developments in their respective fields. The implementation of CBCS (Choice Based Credit System) enables the students to have access to the latest pattern of teaching and learning. The Department of Physical Education and the Department of Fine Arts & Performing Arts provide hands-on sports training activities and cultural activities respectively to the students. For an all-round development of students, sports and cultural activities are assigned to a specific time schedule in the academic calendar. Students regularly represent the University at national level competitions and win laurels.

Besides the departmental libraries, the University has a Central Library with approximately four lakh books, e-books and e-journals. Under the INFLIBNET and DELNET programs, the students and faculty can access valuable sources of literature. The University campus is Wi-Fi enabled.

There are separate hostels within the campus for boys and girls pursuing various programs upto doctoral level to provide a safe and congenial Gurukul-like environment of learning. In addition, facilities like stadium, gymnasiums, sports complex, playgrounds and open-air theatre are also available to cater to the extra-curricular requirements of the students.

The University has an adequate number of competent, dedicated and trained faculty members to enhance the knowledge of the students. The courses are well designed and suited to the present day demands. The faculty is involved in developing innovative methods of teaching and learning with the help of an in-campus Educational Multi-Media Research Centre (EMMRC). Under the ageis of the UGC, New Delhi, the Malaviya Mission Teacher Training Center (Formally UGC-Human Resource Development Centre) conducts orientation and refresher programs for the faculty. Recently, a Day care centre is established in the university campus.

To create high-quality academic ambience and to motivate and enthuse our students towards perfection in their academic endeavors, we offer meticulously designed and diverse curricula as well as optional courses at graduate, postgraduate and doctorate levels. Besides, the University has an Institute of Distance Education (IDE) enabling our students to pursue PG Diploma courses with regular PG/Ph.D. programs to enhance their employability. B.Tech. programs are also being offered under the Institute of Engineering and Technology.

The University is proud of the numerous academicians, administrators, judges, philosophers, writers, poets, critics and artists who have brought laurels to their Alma Mater in the last seven decades.

We are committed to promote academic excellence and socially relevant education in consonance with the goal to achieve contemporary standards of learning. We look for brilliant and hardworking students for fulfilling our objectives of attaining heights of excellence in the field of knowledge.

I invite you to join hands in Bharat Nation building.

Best wishes!

Prof. (Dr.) Nagesh Dubey
Vice-Chancellor (Offg.)

University at a Glance

The founder and mentor Sir Doctor Harisingh Gour desired to establish an educational institution to provide the opportunity of higher learning for a rural and deprived population of Central India. He was inspired by Cambridge and Oxford Universities as the models. The University of Saugor, later renamed as Doctor Harisingh Gour Vishwavidyalaya in February 1983, was established on July 18,1946 by him out of his lifelong earnings. The University was the sixteenth university in the country and the first in the State of Madhya Pradesh at that time. The University was upgraded as Central University on January 15, 2009, by the Central Universities Act, 2009. The President of India is the Visitor of the University.

The University campus is spread over an area of about 1300 acres, surrounded by lush green forests, and is situated in the natural and eco-friendly environment. The University provides a congenial academic atmosphere to the learners to nurture their potential for excellence. There are 38 teaching departments, Institute of Engineering & Technology in the University, some of them are recognized centers of the UGC and DST under the DRS, PURSE and FIST schemes. There are four hostels for boys and four for girls. Residential facilities are available in campus for teachers and officials of the University. Our first Prime Minister Pt. Jawaharlal Nehru laid the 'foundation stone' of the University Library in 1952, which is named after him.

The University has adopted ‘School of Study’ system for promoting intra and inter school academic programmes. Eleven schools were established under the new system, which offers courses ranging from Physical Sciences to Applied Sciences and Technology, Law, Business Management, Applied Geology, Pharmaceutical Sciences, Humanities, Arts & Information Science, Social Sciences, and Music & Performing Arts.

The University has well qualified and experienced faculties (www.dhsgsu.irins.org) who are continuously engaged in providing quality teaching and research to the knowledge-seeking young scholars. Some of the faculties have the experience of working in internationally renowned educational institutes.

The Bank, Postal, Health & Sanitation and Cafeteria services are available at the University premises. There is an auditorium for indoor games and a playground for outdoor games as well as a well-equipped and furnished Golden Jubilee Hall with a seating capacity of 750, Abhimanch Hall over 200 persons to facilitate the cultural and academic activities.

The University has various centers for developmental activities such as UGC- Malaviya Mission Teacher Training Center (Formally UGC-Human Resource Development Centre), Center for Advance Research (CAR), Institute of Distance Education, Study centre of Indira Gandhi National Open University (IGNOU), Educational Multi-Media Research Centre (EMMRC), Teaching and Learning Centre (TLC), Remedial Coaching centre, Community College, Population Research Centre (PRC) of Ministry of Health and Family Welfare and Manuscript Research Centre of the Ministry of Culture, Day care centre, are Institute of Engineering & Technology (IoET) and facilities for SLD/PWD students.

Academic departments, Hostels and Libraries are well equipped with Wi-Fi through National Knowledge Network (NKN) and e-resources are accessible through Wi-Fi. The Integrated University Management Systems (IUMS), Samarth portal for ERP and Learning Management Systems (LMS) are available for providing all the possible online facilities.

Centre for Advanced Research (CAR)

CAR aims to support and strengthen the scientific research and teaching by providing state-of-the-art instrumentation and expertise in applications of high-end sophisticated instruments to the researchers and students of university and other institutions. The CAR at the Dr. Harisingh Gour Vishwavidhyalaya, Sagar is equipped with Nuclear Magnetic Resonance Spectrometer, Single Crystal X-Ray Diffraction, Powder XRD, LC-Mass Spectrometer, Scanning and Transmission Electron Microscope, Nanospary Drier, Particle Size Analyzer, Q-PCR and many more such instruments to facilitate our goal.

This facility was developed with support from UGC, New Delhi, and the DST-PURSE scheme. It is proudly associated with the ambitious i-STEM scheme (Indian Science, Technology and Engineering Facilities Map) of the Government of India (https: www.istem.gov.in) to ensure Optimal Usage of R&D Resources. Since its inception in 2014, a number of high-impact research publications have been published with the help of instruments available at CAR. We welcome all the scientists, research scholars and students to utilize this facility for analyzing their samples and producing world-class publications. Details of the instruments and charges thereof are provided herewith.

3. If a student does not pay fee on time, a fine of Rs. 1000 shall be levied for the period allowed by Head/Dean.

7.0 Refund of Fees

As per the University Grants Commission (UGC) notification on **Refund of Fees** issued on October 2018 and with the reference of UGC Fee Refund Policy for Academic Session 2025-26, for the session 2026-27, if the student choose to withdraw from the programme of study in which he/she is admitted will be entitled to the refund of fees remitted by him/her as follows:-

A full refund of fees shall be made by the HEIs on account of all cancellations of admissions/migrations of students up to 30 September 2026 and with a deduction of not more than Rs. 1,000, as a processing fee, up to 31 October 2026.

For any admission schedule extending/commencing beyond/after 31 October 2026, the provisions contained in the UGC Notification issued in October 2018 on Refund of Fees shall apply as follows:

S. No.	Percentage of Refund of Aggregate Fees	Point of time when notice of withdrawal of admission is served in the University by the student
(1)	100%	15 days or more before the formally notified last date of admission
(2)	90%	Less than 15 days before the formally notified last date of admission
(3)	80%	15 days or less after the formally notified last date of admission
(4)	50%	30 days or less but more than 15 days, after formally notified last date of admission.
(5)	00%	More than 30 days after formally notified last date of admission

(1) The submission of online cancellation of application on the **Samarth Admission Portal** is mandatory. Student have to open the registration location with login credential and click the option **Cancel Application** by giving appropriate reason therein.

(2) Further, as second step for the refund of fees, the recommendation of concerned Head of the Department is mandatory, which is to obtain by filling **"Admission Cancellation and Fees Refund form"** attached at the end of this Admission Brochure.

(3) Student can submit/send the duly filled hard copy of **"Admission Cancellation and Fees Refund form"** along with required documents like admission fee submission slip/receipt and the copy of bank passbook (applicant's name should be same as in counselling registration form), by hand (or by post) to Head of the Department. **The date signed by Head of Department on the application form shall be taken into consideration for the deduction in refund amount.**

(4) Applicant are requested to submit/send the duly filled hard copy of **"Admission Cancellation and Fees Refund form"**, immediately after filing admission cancellation request on Samarth Portal. **The university will not be responsible for such delay if found during the dedication in refund amount.**

(5) The University reserves the right to cancel/refuse admission at any point of time if it is found that:
(a) Minimum eligibility requirements are not fulfilled.
(b) False documentation has been done or facts have been suppressed.
(c) Misconduct and indecent communication done by candidate.
(d) Irregularities are in admission of candidate.
(e) Any other valid reason.

University Placement and Startup-Cell

The Placement and Startup Cell of Dr. Harisingh Gour Vishwavidyalaya, Sagar (M.P.) has continued its mission to bridge the gap between academia and industry by facilitating career opportunities for students across undergraduate & postgraduate. In the academic year 2025-26, the Placement and Startup Cell achieved significant milestones in securing placements, fostering industry collaborations, and enhancing student employability through skill development initiatives.

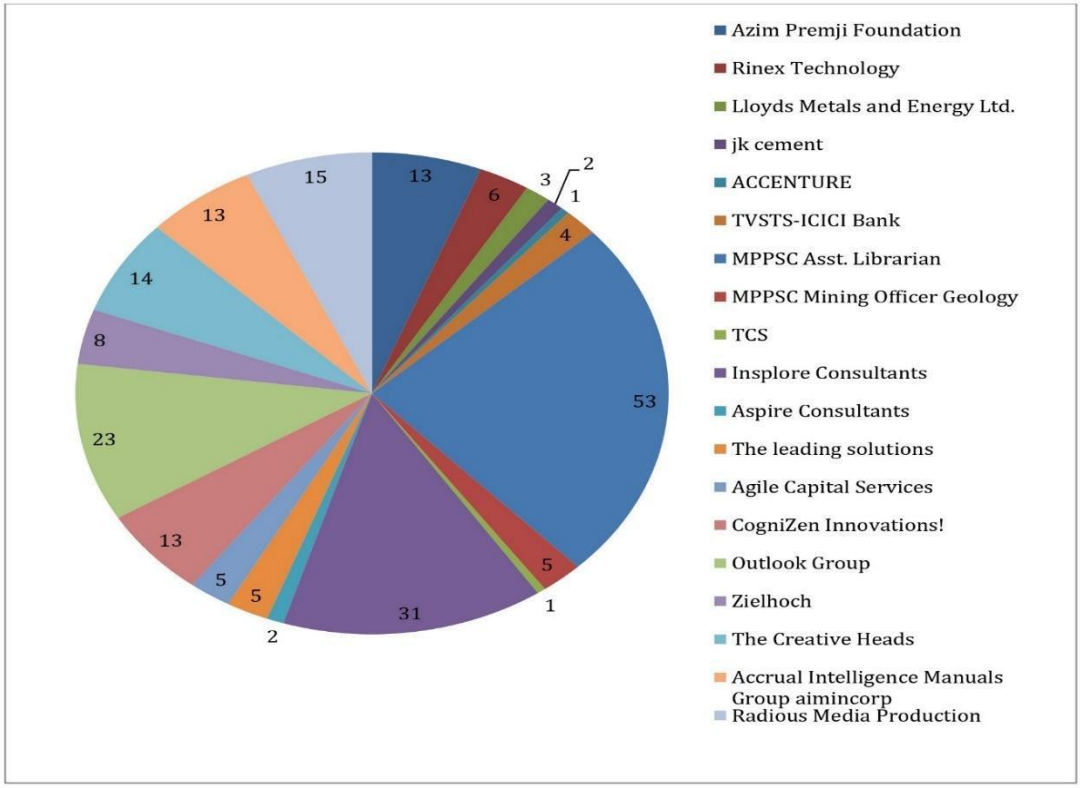

PLACEMENT STATISTICS:

- Total Students Selected in Placement/Internship: 217
- Highest Package: INR 6.92LPA
- Average Package: INR 3.22LPA
- Internship Programs: Over 129 students secured internships with reputed organizations.

No.F.4-1(UGC-NET Review Committee)/2024(NET)/140648 March 27, 2024/7 चैत्र 1946

PUBLIC NOTICE

National Eligibility Test (NET) as an Entrance Test for Admission to Ph.D.

The University Grants Commission conducts the National Eligibility Test (NET) through the National Testing Agency (NTA). The NET is conducted twice a year, in June and December. Currently, the NET scores are used (a) to award Junior Research Fellowship (JRF) and (b) as eligibility for appointment as Assistant Professor for those with a Master's degree.

Many universities conduct their entrance tests for admission to their Ph.D. programmes, requiring the students to write multiple Ph.D. entrance tests. To help the students with one national entrance test for Ph.D. admissions as a part of implementing the National Education Policy 2020, the UGC constituted an expert committee to review the provisions of the National Eligibility Test (NET).

Based on the expert committee's recommendations, in its 578th Meeting held on 13 March 2024, the UGC has decided that from the academic session 2024-25, the NET score can be used for admission to Ph.D. programmes in place of entrance tests conducted by the different universities/HEIs.

From June 2024 onwards, therefore, the NET candidates will be declared eligible in three categories:

Category-1: Eligible for (i) admission to Ph.D. with JRF and (ii) appointment as Assistant Professor.
Category-2: Eligible for (i) admission to Ph.D. without JRF and (ii) appointment as Assistant Professor.
Category-3: Eligible for admission to Ph.D. programme only and not for the award of JRF or appointment as Assistant Professor.

CONTINUATION SHEET

The determination of the eligibility of NET for different categories is summarized below:

Qualified for	Eligible for		
	JRF	Assistant Professor	Ph.D. Admission
Category-1: Award of JRF and appointment as Assistant Professor	Yes	Yes	Yes
Category-2: Appointment as Assistant Professor and admission to Ph.D.	No	Yes	Yes
Category-3: Admission to Ph.D. only	No	No	Yes

The result of NET will be declared in percentile along with the marks obtained by a candidate to utilize the marks for admission to Ph.D.

The JRF-qualified students are admitted into the Ph.D. programme based on an interview as per the University Grants Commission (Minimum Standards and Procedures for Award of Ph.D. Degree) Regulations, 2022.

For students who qualify in Categories 2 and 3, 70% weightage will be given for test scores and 30% weightage for the interview for admission to Ph.D. programmes. The Ph.D. admission will be based on the combined merit of NET marks and the marks obtained in the interview/viva voce.

The marks obtained in the NET by the candidates in Categories 2 and 3 will be valid for a period of one year for admission to Ph.D.

The notification and Bulletin of Information for the NET June 2024 will be issued by the National Testing Agency shortly at https://ugcnet.nta.nic.in.

No.F.4-1(UGC-NET Review Committee)/2024(NET)/140648 28th March, 2024/8 चैत्र, 1946

Sub: National Eligibility Test (NET) as an Entrance Test for Admission to Ph.D.

Dear Madam/Sir,

As you are aware, the University Grants Commission (Minimum Standards and Procedure for Award of Ph.D. Degree) Regulations, 2022 provides for the admission of students to Ph.D., who qualify for fellowship/scholarship in UGC-NET/UGC- CSIR NET/GATE/CEED and similar National level tests, based on interview.

In addition, Higher Education Institutions (HEIs) conduct their entrance tests for admission to Ph.D. programmes, requiring the students to write multiple entrance tests.

To help the students with one national entrance test for admission to Ph.D. as a part of the implementation of National Education Policy (NEP) 2020, the Commission in its 578th Meeting held on 13th March, 2024, decided that from the academic session 2024-25 onwards, the NET score can be used for admission to Ph.D. programmes in place of entrance tests conducted by the different universities/HEIs.

A Public Notice issued by the UGC on 27th March, 2024 in this regard is enclosed.

In view of the above, the HEIs are requested to utilize the NET score for admission to Ph.D. programmes instead of conducting their entrance tests from the forthcoming academic session 2024-2025.

In case any clarification is required, the HEIs may write to net-bureau@ugc.gov.in

With kind regards,

Yours sincerely,

(Manish Joshi)
