

Cultural activities by Department of Psychology

On the occasion of “World Mental Health Day”(10 October 2018) students of the department performed a “*Nukkad Natak*” on the theme “*Reducing Caste Discrimination*” at the various locations in the university campus including Jawaharlal Nehru Central Library, Central Office and Tapra. Undergraduate and postgraduate students, faculty members and research scholars were present and cheered along the slogans for Mental Health Awareness. Poster making competition on the theme “Sharing is Curing” was also organized.
